Colors, shades and textures on installed selections may vary from selection samples viewed. Natural products such as stone tiles, marble and granite are quarried from the ground and may vary with texture, color and shading. Man-made products such as carpet, ceramic tile, vinyl, etc. vary from dye lot to dye lot. Natural wood products such as wood flooring and cabinetry may vary in grain, color and texture. Great care is made to have selection samples that closely resemble the actual product supplied for your home, however exact matches cannot be guaranteed and variances in color, shading, grain and texture differences are unavoidable.

Buyer shall pay to Seller fifty percent (50%) of the total charges for options ("Option Money") selected by Buyer on or before the deadline for making option selections as set forth in paragraph nine (9) of the Residential Earnest Money Contract. Buyer shall pay to Seller the remaining fifty percent (50%) of the total option charges at closing. Should Buyer choose to change Buyer's selected standard features or options, Buyer will pay to Seller an additional, non-refundable \$200.00 administrative charge for each revised Selection Sheet or Option Addendum executed by Buyer. There will also be a \$200.00 non-refundable quote charge for items not listed on the Standard Option Price List.
