Shepherd Oaks Civic Association, Inc.
P.O. Box 10142
Houston, TX 77206

Shepherd Oaks Civic Association has re-filed the HOHLDALE ADDITION deed restrictive covenants for the benefit the property owners, Title Companies, Real Estate Practitioners and all persons researching recorded real property records, so that these Deed Restrictions are easily retrievable. Let it be known through public records that HOHLDALE ADDITION is Deed Restricted. In addition, the act of re-filing these restrictions is to further reduce the potential of property ownership being transferred whereby new owners are misinformed due to inability to locate the Deed Restrictions for the HOHLDALE ADDITION in the County Records.

The HOHLDALE ADDITION Deed restrictions were originally filed in 1940. They include a provision for automatic extension for successive 10-year periods, unless a majority of owners agree to change them. The current act of re-filing incorporates no changes. Due to the early vintage of this document, it has come to our attention that these restrictions are not as easily retrievable as records filed after the year 1960. It is assumed to be the root cause of misinformation provided by Realtors and Title companies to new property owners that there are no recorded deed restrictions for Hohldale Addition.

It is important to point out that Deed Restriction #1 in this document has been rendered invalid by subsequent legislation and is further noted by the County Clerk Stamp. However, based on the provision of Deed Restriction #16, invalidation of one does not invalidate the others. Therefore, the remaining restrictions remain valid.

In an effort to preserve and protect the residential integrity of the Hohldale Addition, we respectfully submit this certified copy of the restrictive Covenants for re-filing.
