Home, features, and community information are subject to change, and homes to prior sale, at any time without notice or obligation. Additionally, deviations and variations may exist in any constructed home, including, without limitation: (i) substitution of materials and equipment of substantially equal or better quality; (ii) minor style, lot orientation, and color changes; (iii) minor variances in square footage and in room and space dimensions, and in window, door, utility outlet, and other improvement locations; (iv) changes as may be required by any state, federal, county, or local governmental authority in order to accommodate requested selections and/or options; and (v) value engineering and field changes. Actual features included in any home are limited in all events to the specific terms set forth in the contract for such home. Any square footages and dimensions are approximate and may vary in construction and depending on the standard of measurement used, engineering and municipal requirements, or other site-specific conditions. All promotional, marketing, and advertising estimates and claims related to energy savings or performance are created exclusively by third party suppliers, rating services, utility companies, and/or certified auditors, based on U.S. Department of Energy methodology and average energy use and scores. Actual energy savings and performance of any home or any of its features may vary widely, and may be more or less than indicated savings and performance, depending on the personal energy consumption choices of the occupants and changes in energy provider rates and programs. Indoor airPLUS certification and MERV 13 HVAC filtration anticipated to be included as a standard feature in homes for which a building permit is obtained and construction is commenced after September 1, 2020, but inclusion is subject in all events to the terms and conditions of the sale contract for such home. See sales counselor for additional details. *See www.meritagehomes.com/mconnectedhome for important details and information.
