Gorgeous home on a large lot in Alden Bridge! Zoned to excellent schools, and close to area parks with lighted tennis courts, shopping and restaurants, as well as miles of walking/bike trails! Some of the highlights of this home include fresh neutral interior paint, new carpet, professionally cleaned tile and grout, detailed trim work, high ceilings, plantation shutters, art niches and enormous windows that provide natural light. The study with built-ins and French doors is an ideal work from home space! An open concept island kitchen with gas cooktop, stainless steel appliances, walk-in pantry and built-in planning desk overlooks the breakfast and family rooms with cozy fireplace. Owner's retreat down; three bedrooms and game room up; three car attached garage with tool room; fenced yard has a sparkling pool, spa, and patio surrounded by mature shade trees.
