

Tell us about your home!

Here's your opportunity to tell us what makes your home special. Answers to these questions will help us create the most powerful marketing campaign possible.

Your favorite home feature? The location. It is tucked on the inside of the property away from the street with an oak tree outside the living room window that makes it feel like a treehouse.

The best thing about the location of your home? It is between River Oaks and Montrose, there are tons of shopping and restaurants to go to that are within 5-10 min from the house.

What feature of the house had you "SOLD" on it? Location, spaciousness of the bedroom, and cozy feel.

Nearby area "hot spots" (coffee shops, shopping centers, etc.)? Target, PetSmart, Trader Joe, and Whole Foods are all a block away.

Starbucks is across the street, Common Bond and Agora Coffee shops are down the street.

Anything else you would like us to know?

The garage access to the house is a major plus, especially when it's raining. There are a lot of windows and natural light on both floors.
