1. Why did you decide to buy this home for yourself?

We loved the crisp, clean feel of the house with a perfect pool for kids. We loved the neighborhood's amenities including the large pool and tennis courts.

2. What do you think are the best features of your home?

Large rooms, updated kitchen, area for exercising and working out. We also installed a new (and highly reliable) generator that can power the entire house. The pool is the perfect size for a family with children.

3. Tell me what you like best about your neighborhood?

Our neighbors! We have great neighbors on all sides. Frankly, that was one of the hardest things about moving away. We loved the neighborhood's amenities including the large pool and tennis courts and HOA sponsored activities. The neighborhood is also very convenient for working in both the Energy Corridor and Memorial City.

4. What are your favorite places for recreation, shopping and eating nearby?

Our favorite restaurant is Sylvia's on Eldridge. We also like the international flavor of all the restaurants surrounding the neighborhood.
