A beautiful, very large and open kitchen.

The house is a charming mix of original and newer more modern features.

Why did you decide to buy here? Schools, amenities, convenience?

It is walking distance to the wonderful Oak Forest Elementary as well as the Oak Forest library and several shops/restaurants. Also close to two great neighborhood parks.

Why do you love living here? What are the things your family has enjoyed most? What can you tell buyers about the neighborhood?

Very family friendly neighborhood with beautiful, large trees.

What features of your home would excite a buyer? What hidden features of your home might a buyer overlook and how do they make your life easier?

This is a custom home with a large amount of well-hidden storage making it feel much larger. There are areas with deep storage drawers, all soft close. It has several large closets. The Pantry is very large with custom deep shelving.

Why will it be hard to leave your home?

We love this home and its original charm plus new amenities. We will also miss the beautiful backyard. We are only leaving as we have outgrown it.
