

Welcome to Heritage Grand!

*A Grand Lifestyle for
Active Adults*

Prospective Resident,

We are pleased that you are considering joining us in our 650-home community consisting of 552 detached stand-alone homes and 98 duplex townhomes. Hopefully this summary of information will be found useful in your decision-making process.

Our subdivision was built between 2002 and 2010 with home sizes varying from 1,423 square feet to 2,996 square feet of living area. Common areas and facilities support all homes.

We are an age 55-and-over active adult community where we strive to obtain 100% of residences in Heritage Grand be occupied by an owner(s) who is 55 years of age or older.

Our governing documents planned for a homeowner's association (HOA) form of management as the vehicle for collectively protecting the value and desirability of the real property here, and we operate a homeowner elected five-member Board of Directors.

A monthly HOA assessment fee is required. Please refer to the attached table for the assessment fee amount and a summary of amenities provided by the fee.

The Clubhouse Ballroom provides a beautiful setting for social activities that take place on a daily or weekly basis as well as the location for HOA meetings. Please see the attached listing of routinely held events (regularly emailed to homeowners).

Our current study is dated 7/27/20.</p> <p>A Cash Flow Method is used by RA to compute the plan. HERITAGE GRAND HOUSE AGING

Note: The "street right of ways" within Heritage Grand are owned by the Association and shown on this map in light gray. The "street right of way" is 50 ft. In general, however, the actual concrete (curb to curb distance) is 30 ft, which means that 10 ft on each side of the street is also Association property. Each homeowner has an area of grass in this Association "right of way" and each homeowner is responsible for the maintenance of this 10 ft strip.
