13. Subordination of the Assessment Lien to Mortgages, Etc. The lien of Assessments provided for herein shall be superior to all other liens and charges against a Tract except, however, an Assessment lien shall be subordinate to any first lien mortgages relating to the Tracts, liens relating to construction upon the Tracts, and any tax liens. Sale or transfer of any Tract shall not affect the lien of Assessments; however, the sale or transfer of any Tract pursuant to foreclosure of a first lien mortgage or any proceeding in lieu thereof or the foreclosure of a tax lien, shall extinguish the lien of the Assessments only as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Tract from liability for the Assessments thereafter becoming due or from the lien thereof. A selling Owner of a Tract shall not be relieved of personal liability for any Assessments accruing on such Tract prior to the date of sale or transfer. The Association shall have the power to subordinate the aforesaid Assessment lien to any other lien. Such power shall be entirely discretionary with the Board and such subordination may be signed by an officer of the Association. Upon written request of any Mortgage, the Association shall report to said Mortgagee any unpaid Assessment remaining unpaid for longer than thirty (30) days after the same are due.
14. Control of Private Roadways and Common Areas. As provided for herein, the Private Roadways and Common Areas shall consist of those lands as described by the Plat and herein, as may be amended from time to time by the Developer. Developer, its subcontractors, agents, and employees shall have the right to use and access said areas for its purposes. The status of construction or maintenance of Improvements within the Private Roadways and Common Areas by Developer shall in no way postpone the commencement of Assessments or entitle a Member to claim any offset or reduction in the amount of such Assessment. If there is any excess of Assessments collected over actual expenses incurred by the Association, such excess shall be placed in reserve for future expenses of the Association as designated by the Board.
15. Turnover. At any time after commencement of operations of the Association, at Developer's sole discretion, the Owner's may be required to take over the management of the Association and relieve Developer of all duties associated therewith ("Turnover"). Upon Turnover by the Developer, the Owners will be required to choose their own Board to manage the Association in accordance with this Declaration and to establish any and all Bylaws, procedures, and other management devices by which the Association shall operate.

Notwithstanding anything to the contrary, until such Turnover has taken place, the management of the Association shall be by the Developer and its staff, and any expenses incurred in such management shall be reimbursed to Developer by the Association. Said reimbursable expenses shall include the cost of Developer's staff for the time spent in the management thereof of this Association. From and after the time of Turnover, the Association shall indemnify and hold Developer, its successor, assigns, officers and agents,

harmless from and against any and all claim or damages of every kind, arising out of the development and operations of the Property or Association.

16. Exempt Property. All Private Roadways and Common Areas shall be exempt from Assessments. All Tracts owned by the Developer shall be exempt from Assessments.
17. Option to Cure. Developer or the Association has the option, but not the obligation, to perform any action required of any Owner by this Declaration. In the event Developer or the Association elects to do so, all sums incurred by Developer or the Association in performing the required action shall be charge against the Owner and if not paid within thirty (30) days after it is due said sums shall bear interest at the highest legal rate permitted by law to be charged to the Owner and shall be secured by a lien on all Tract(s) owned by said Owner. Developer or the Association may bring an action at law against such Owner of the Tract for payment thereof and/or bring an action to foreclose the lien which secures the same.

Additionally, Developer, its officer, partners, agents, successors, and assigns, shall not be held liable in any way for its role in enforcing or failing to enforce any of the terms and conditions of this Declaration, or in protecting its rights or carrying out any of its duties or obligations. This indemnification shall include the Association's payment of any and all expenses including the payment of any and all legal expenses, court costs, all costs associated with the protection of the Developer, its officers, partners, agents, successors, and assigns, in any legal proceedings or any of other action of any kind. Developer shall have full right and authority to sell, assign, or transfer, all or part, of its rights, duties, and obligations under this Declaration in conjunction with a sale of all of its unsold Tracts or acreage within the Property, and upon any such action, Developer shall have no further obligation or liability, implied or otherwise, hereunder.

ARTICLE VI GENERAL PROVISIONS

1. No Warranty of Enforceability. Developer makes no warranty or representation as to the present or future validity or enforceability of any covenants, conditions, restrictions, easements, and/or liens. 5. Notices. Any notice permitted or required to be given hereunder shall be in writing and may be delivered personally or by mail.
