

Welcome

BRIDGELAND

With open space and familiar faces, you'll feel more connected in Bridgeland.

LOCATED IN CYPRESS, TEXAS

Bridgeland is a top-selling community in the Greater Houston Area as well as in the nation. While its tranquil spaces offer relief from the bustle of inner-city traffic and congestion, Bridgeland offers the convenience of nearby dining, retail, medical facilities and worship centers. The result is a unique community of residential neighborhoods nestled among parks and amenities, as well as public schools and space for potential private schools. Such sensitive planning created a community that bridges nature with development, ensuring a compatible space for residents and wildlife.

- 11,500-acre master planned community
- Features 3,000 acres of open space, parks, lakes and trails*
- Currently serviced by Cy-Fair and Waller Independent School Districts, both highly-rated by the Texas Education Agency.
- In Bridgeland, Cy-Fair ISD's new McGown Elementary opened in August 2022 and a new middle school will open in August of 2023. Additionally, Waller ISD will open their first on-site elementary school in August 2024.

BE MORE CONNECTED

Thoughtfully Planned

Bridgeland was specially designed to keep nature in balance.

Bridgeland is a sustainable master planned community with a mission to preserve, restore and enhance its natural surroundings while providing residents with everything they need to live well-balanced lives.

GUIDING PRINCIPLES

Bridge Connect development and nature by joining homes, amenities and retail space with native vegetation, thriving wildlife and abundant waterways.

Thrive Provide residents with abundant opportunities for education, worship, social and cultural activities, employment, shopping and recreation.

Balance Offer a harmonic balance between nature, homes and mixed-use space by preserving and dedicating 3,000 of the community's 11,500 acres to lakes, trails and parks.

Preserve Dedicated to sustainable land use, our self-sustaining water system for irrigation, commitment to reforestation and implementation of rain gardens create a more resilient community.

Restore Return natural beauty to the land by consciously cultivating and restoring native plants and wildlife to create a thriving ecosystem.

Paddle your kayak across 140-acre Josey Lake.

Enjoy up-close views of wildlife from the birding tower.

Connect with nature as you stroll along tree-lined paths.
