

A prime location...

Memorial Plaza is an upscale subdivision in the Memorial area in West Houston. With its close knit community and hometown feel, Memorial Plaza is a real gem. Its convenient location to memorial amenities, amazing schools, and access to nature all add to the value of this area. It has also remained popular due to its stable home values even in declining markets.

General Information:

Houston Fire Department: Memorial Plaza is served by the Houston Fire Department. Their close proximity gives them the ability to respond quickly. They also have the most up to date equipment available and highly trained personnel to use it.

Houston Police Department: With Houston's police force and the local constable, you can rest easy at night. They can instantly respond to any problems that arise and can provide a house watch for when you are away.

Education...

The Spring Branch Independent School District is one of the most highly rated districts in the state. Rummel Creek is an excellent elementary school, followed by Memorial Middle School. Stratford High School provides a very competitive environment for those who plan to attend college.

Rummel Creek Elementary: Built in 1962, Rummel Creek currently has over 700 students. It has since received a full remodel. Rummel Creek has been recognized for outstanding test scores, outstanding students, and a dedicated faculty. In the state accountability ratings, Rummel Creek received an A for student achievement and knowledge, competitiveness against fellow SBISD schools, and continuous growth in performance over time. It also excels in postsecondary preparedness.

Memorial Middle School: Built in 1964, Memorial Middle School is currently home to over 1,300 students. It has received an A rating on TxSchools.gov and has a nine out of ten rating from reviews. It is very successful in both education and athletics.

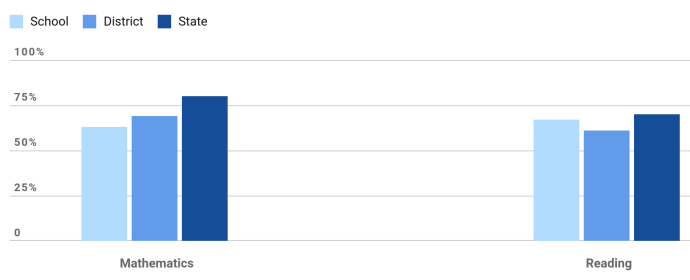

Stratford High School: Stratford High School (SHS) is a comprehensive public high school serving grades 9-12, which offers a rigorous college preparatory program. With over 200 course offerings, Stratford is designed to prepare graduates to become community-minded independent thinkers and problem-solvers. It currently has over 2,100 students.

Stratford students take part in numerous athletics teams, fine arts pursuits, student publications, service organizations, student council, honor societies, and special interest clubs.

SHS consistently earns academic distinctions from the Texas Education Agency and is recognized among the best high schools in our area and beyond by U.S. News and World Report, Texas ACT Council, Niche, and others. The Anti-Defamation League has also regularly designated SHS as a No Place for Hate campus.

Subject Proficiency

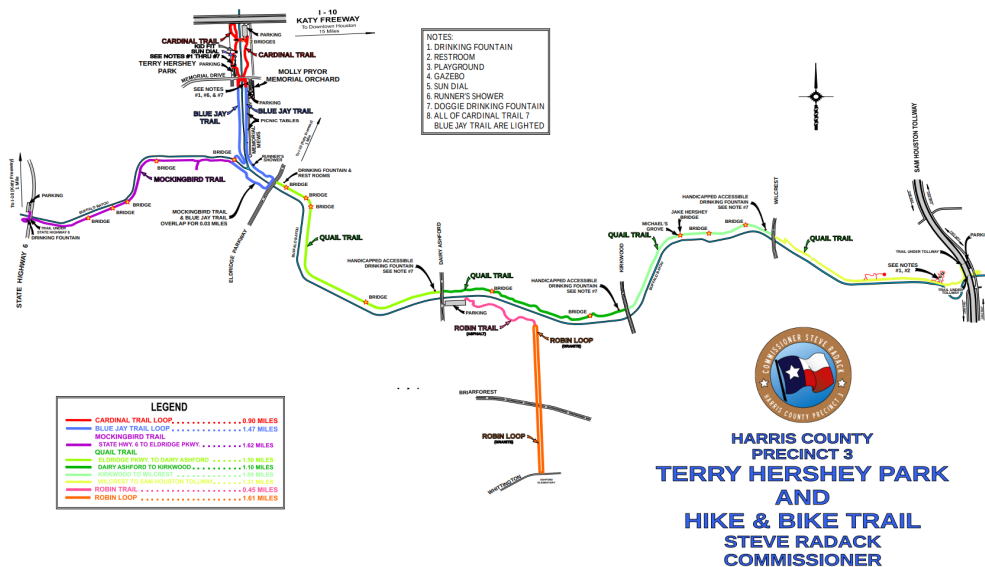

Texas administered the State of Texas Assessments of Academic Readiness (STAAR) EOC Assessments to high school students. These figures display how well the school as a whole performed in reading and mathematics.

Activities...

Memorial Plaza is known for their access to nature and their semi-separation from the constant flow of city life. Because of this, Memorial Plaza has access to numerous parks including Terry Hershey Park and the Edith Moore Nature Sanctuary. This privacy from the city does not seclude you from the conveniences and exciting things Houston has to offer. Shopping options are limitless with the Memorial City Mall and some of the highest rated restaurants reside in CityCentre, all a short drive away from your home.

Terry Hershey Park: Terry Hershey Park is 496 acres and runs parallel to the Buffalo Bayou in West Houston. It has scenic paths throughout the park and is full of biking and walking trails. This park also includes immense access to nature and wildlife, allowing you to escape the noise and bustle of the city.

Memorial City Mall: With over 150 shops, Memorial City Mall is one of the top 50 biggest malls in America. From Abercrombie to Zales this mall has it all. It is located right off of I-10.

CityCentre: CityCentre has a combination of dining, shops, and entertainment. It's shops have a mix of brands including premiere ones such as Allen Edmonds and Free People. The cuisine has global flavors, fine dining, and open patios. Finally, there is also a Studio Movie Grill for the latest movies and other entertainment such as the bowling alley.

Plaza Oaks Club: While you must pay to become a member, this club gives you access to a pool, tennis courts, a basketball court, and a playground. It is an integral part of the community and is just waiting for family memories to be made.
