Certificate:

"I hereby declare that the elevations and drainage patterns shown hereon were developed from a survey of this property, performed on April 28, 2005, and accurately and truly depict the elevations as they existed on this date. The elevations as depicted, may change due to consolidation or upheaval of the soil; addition or removal of the soil by acts of man; erosion by wind or water; or other factors. Therefore, this survey may not depict the elevations and drainage patterns of this property after the date of this survey. I, the above are the certified findings of the professional engineer or land surveyor of the finished ground grades around the structure on the date of the survey. The homeowner must maintain these elevations and grades to properly drain the water away from the home";

I hereby certify that the above plat correctly represents the facts found at the time of the survey made on the ground under my supervision, and there are no apparent encroachments at the time of this survey, unless shown or noted otherwise.
