

Upgrades for 26210 Bolton Trails, Katy, TX 77494:

Stone Wall Enhancement: Extended the stone wall up to the ceiling, creating a striking focal point in the living area.

Custom Fireplace Mantle: Complements the overall design scheme, adding character and sophistication to the space.

Kitchen Sink Accent Wall: The wall behind the kitchen sink upgraded with stone, infusing texture and visual interest into the culinary hub of the home.

Built-In Stainless Fridge: Integrated a sleek stainless-steel refrigerator seamlessly into the kitchen cabinetry, maximizing both functionality and style.

Wood Stairs with Stone Risers: The warmth of wood with the rugged elegance of stone by installing wood stairs with stone risers, enhanced the grandeur of the entryway.

New Iron Railings with Balusters: Upgraded to iron railings with intricate balusters, lending an air of sophistication and refinement to the staircase and balcony areas.

Minibar/ Theater Room Addition: Transformed an upstairs space into a luxurious minibar & theater room, offering a retreat for entertainment and relaxation.

Media Room Cabinets: Installed custom cabinets in the media room to organize and conceal media equipment, enhancing functionality while maintaining a sleek aesthetic.

Downstairs Bathroom Vanity Cabinet Upgrade: Replaced the existing bathroom vanity cabinet with a new, stylish option, optimizing storage and enhancing the overall ambiance of the space.
