

List of Upgrades 6214 Pebble Beach

The house also has a life-time anti-termite warranty.

Remodel/Upgrades include:

- All toilets are new, one piece American Standard high efficiency (1.28gpf) with glaze-trap way clog preventive.
- All remote operating smart ceiling fans, with 3-speeds, 3-lighting colors including warm and daylight, and dimming feature.
- Primary Ensuite fully remodeled, with new open concept shower design, with wall and ceiling rainfall shower head, new flushed jetted tub, and built-in color light. New 24" vessel sinks, and waterfall faucets on sinks and tub.
- New light switches throughout the light, some with built-in lighting for easy detection in the dark. All outside light switches are new smart programmable w/optional manual feature included.
- New cabinet handles/knobs replaced in all rooms throughout the house. Oil bronze in most areas, primary suite matte black.
- All daylight light bulbs were replaced throughout the house, inside and outside.
- HVAC has been fully updated, including gas heating compartments on both units.
- Plantation shutters and window treatments all throughout the house.
- All new interior paint throughout the house.
