

The Village at Tuscan Lakes caters to ages 55+ for people's active lifestyles. There are also nature trails and parks lying within walking distance. These include top-rated areas like Hometown Heroes Park, League Park, and Heritage Park. At The Village at Tuscan Lakes, there is a rich assortment of amenities, activities, and clubs to suit almost any lifestyle. An activities committee is continually supplying the residents of the community with an ever-changing lineup of fun activities, events, and classes. Some of these include wine tasting, garden club, bingo, bridge, line dancing, Mah Jongg and much more. Whether your passions include cards, arts and crafts, golf practice, or bible study at a neighbors' house, there is something for everyone at The Village at Tuscan Lakes. The clubs and activities provide a wonderful opportunity to build new friendships and allow residents to reap extraordinary rewards through social, fitness and educational engagement. Social activities and events start at The Village at Tuscan Lakes' exquisite 12,000 square-foot clubhouse. Here, residents can work out in the modern fitness center or aerobics studio, gather in the multi-purpose room, or read a book in the library. Homeowners can also pick up a new hobby in the arts and crafts studio, attend an event in the ballroom, or socialize with friends around the billiards table. A catering kitchen is also available for preparing a meal with friends. Outside, residents can take a dip in the crisp pool with beach entry or relax in the shade in the idyllic outdoor patio. Golf enthusiasts can practice their game on the putting green. The horseshoe, bocce ball, and shuffleboard courts provide a great place for friends to enjoy a fun game. On a beautiful afternoon, residents can fish in the stocked pond or go for a jog along the walking and biking trails.
