WHAT I LOVE ABOUT MY HOME

- Guest parking is right across the street.
- The mailbox is a short walk away.
- The runner on the stairs helps cut the echo from the high ceilings and provides great grip.
- The dog park is always well cleaned and full of furry neighborhood friends.
- Holguin Hollow neighbors – The originals in this development. Great people that are always looking out for one another.
- No water bill!
- Kickin' Kombucha across the street hosts weekend fairs with great local vendors.
- Being so close to downtown.
- Easily accessible bike lanes from the front entrance of the community.
