- e) Before the final disposition of a proceeding, the Association may pay indemnification expenses permitted by the Bylaws and authorized by the Association. However, the Association shall not pay indemnification expenses to a person before the final disposition of a proceeding if the person is a named defendant or respondent in a proceeding brought by the Association or one or more Members, or the person is alleged to have improperly received a personal benefit or committed other willful or intentional misconduct.
- f) If the Association may indemnify a person under the Bylaws, the person may be indemnified against judgments, penalties, including excise and similar taxes, fines, settlements, and reasonable expenses (including attorney's fees) actually incurred in connection with the proceeding. However, if the proceeding was brought by or on behalf of

the Association, the indemnification is limited to reasonable expenses actually incurred by the person in connection with the proceeding.

Section 2. Procedure Relating to Indemnification Payments

a) Before the Association may pay any indemnification expenses (including attorney's fees), the Association shall specifically determine that indemnification is permissible, authorize indemnification, and determine that expenses to be reimbursed are reasonable, except as provided in Section 2(c) below. The Association may make these determinations and decisions by any one of the following procedures:

(i) Majority vote of a quorum consisting of Directors who, at the time of the vote, are not named defendants or respondents in the proceeding.

(ii) If such a quorum cannot be obtained, by a majority vote of a committee of the Board, designated to act in the matter by a majority vote of all Directors, consisting solely of two or more Directors who at the time of the vote are not named defendants or respondents in the proceeding.

(iii) Determination by special legal counsel selected by the Board by vote as provided in Section 2(a)(i) or 2(a)(ii) or if such a quorum cannot be obtained and such a committee cannot be established, by a majority vote of all Directors.

(iv) Majority vote of Members, excluding Directors who are named defendants or respondents in the proceeding.

b) The Association shall authorize indemnification and determine that expenses to be reimbursed are reasonable in the same manner that it determines whether indemnification is permissible. If the determination that indemnification is permissible is made by special legal counsel, authorization of indemnification and determination of reasonableness of expenses

shall be made in the manner specified by Section 2(a)(iii) above, governing the selection of special legal counsel. A provision contained in the articles of incorporation, the Bylaws, or a resolution of Members or the Board that requires the indemnification permitted by Section 1, above, constitutes sufficient authorization of indemnification even though the provision may not have been adopted or authorized in the same manner as the determination that indemnification is permissible.

c) The Association shall pay indemnification expenses before final disposition of a proceeding only after the Association determines that the facts then known would not preclude indemnification and the Association receives a written affirmation and undertaking from the person to be indemnified. The determination that the facts then known to those making the determination would not preclude indemnification and authorization of payment shall be made in the same manner as a determination that indemnification is permissible under Section 2(a) above. The person's written affirmation shall state that he or she has met the standard of conduct necessary for indemnification under the Bylaws. The written undertaking shall provide for repayment of the amount paid or reimbursed by the Association if it is ultimately determined that the person has not met the requirements for indemnification. The undertaking shall be an unlimited general obligation of the person, but it need not be secured and it may be accepted without reference to financial ability to make repayment.

d) Any indemnification or advance of expenses shall be reported in writing to the Members of the Association. The report shall be made with or before the notice or waiver of notice of the next membership meeting, or with or before the next submission to Members of

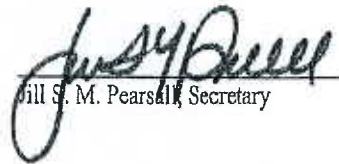

a consent to action without a meeting. In any case, the report shall be sent within the 12-month period immediately following the date of the indemnification or advance.

ARTICLE XV

Should all or part of any Article of these Bylaws be in conflict with the provisions of Chapter 22, Nonprofit Corporations, of the Texas Business Organizations Code or any other Texas law, such act or law shall control.
