- A. Construction of any Structure or improvement, or alteration to the exterior of any Structure or improvement, excluding general upkeep, shall not commence on any lot or building site in the Subdivision prior to plans for such construction having been submitted by the property owner in writing to, and approved in writing by, THE DRCC.

Plans submitted to THE DRCC for Primary Structures shall include a detailed description and drawing of the foundation, floor plan, all Elevations, finished grade elevations, all exterior building materials, and a plot plan showing location of all proposed Structures and Buildings, with dimensions, and trees, with notations of any trees to be removed. Plans submitted to the DRCC for Secondary Structures shall include a description and drawing of the Structure, including dimensions, materials, location on the property relative to Building Lines, and trees, with notations of any trees to be removed.

THE DRCC shall approve any proposed improvement of a Primary Structure upon determining that such improvement will comply with the provisions of these Restrictions; that the improvement will conform to the appearance of the surrounding areas of the Subdivision as a whole; and that the appearance of the proposed improvement will be in harmony with the surrounding areas of the Subdivision, including location with respect to topography and finished grade elevation. The DRCC shall approve any proposed improvement of a Secondary Structure upon determining that such improvement is being constructed in compliance with these Restrictions, and is located within the Building Lines, or Property Lines, as appropriate, as set forth in Section IV, C. Approval of any proposed improvement shall not be unreasonably withheld.

Any errors in or omissions from the plans and specifications or the site plan submitted to THE DRCC shall be the responsibility of the owner of the lot to which the improvements relate, and TMNA and THE DRCC shall not be responsible for errors in or omissions from any such plans and specifications or site plan. The property owner is, nevertheless, required to comply with these Restrictions and all applicable local, state and federal rules and regulations.

All submissions to THE DRCC must be sent via a method which confirms receipt by THE DRCC. THE DRCC may require submission of additional plans, specifications, or other information before approving or disapproving the plans. In the event that approval or disapproval has not been given within thirty (30) calendar days from the date the plans and all materials required by THE DRCC are submitted, then the plans will be deemed approved, unless THE DRCC notifies the owner in writing that the time for approval or disapproval has been extended (such extension not to exceed fifteen (15) calendar days), and gives the reasons for the extension.

- 552-05-1117
- B. After approval of any proposed improvement, the proposed improvement shall be accomplished as promptly and diligently as possible, and in strict conformity with the description of the proposed improvement in the materials submitted to THE DRCC. Failure to complete the proposed improvement within nine (9) months after the date of approval, or such other period of time (or extension of time) as shall have been designated in writing by THE DRCC, or failure to complete the improvement in strict conformity with the description and materials furnished to THE DRCC, shall operate automatically to revoke the approval by THE DRCC of the proposed improvement. No improvement shall be deemed completed until the exterior fascia and trim on the structure have been applied and finished, all construction materials and debris have been cleaned up and removed from the site, and all rooms in the improvement, Building, or Structure (other than attics) have been finished.
- C. If, as a result of inspections or otherwise, THE DRCC finds that any improvement has been constructed or undertaken without obtaining the approval of THE DRCC, or has been completed other than in strict conformity with the description and materials furnished by the owner to THE DRCC, or has not been completed within the required time period after the date of approval by THE DRCC, THE DRCC shall notify the owner in writing of the noncompliance ("Notice of Noncompliance"). The Notice of Noncompliance shall specify the particulars of the noncompliance and shall require the owner to take such action as may be necessary to remedy or remove the noncompliance within the period of time set forth therein.

If THE DRCC finds that a noncompliance continues to exist after such time within which the owner was to remedy the noncompliance as set forth in the Notice of Noncompliance, TMNA may, at its option, record a Notice of Noncompliance against the lot on which the noncompliance exists with the Harris County Deed Records and with the City of Houston Planning/Permitting Department.

At such time as the property owner provides evidence of the Noncompliance having been resolved, THE DRCC will promptly act to have any recorded notices nullified.

VI. BUILDING MATERIALS AND GUIDELINES

The following lists of building materials are examples of and guidelines for exterior building materials for new residential construction and remodeling in the Subdivision. The purpose of these lists of building materials and guidelines is to keep the Subdivision in conformity and harmony, and to preserve overall property values. This section is provided to assist the property owner in residential design and to assist THE DRCC in its review of plans for the construction of a new residence, or remodeling of an existing residence.

A. Roofing materials

Architectural asphalt shingles and standing seam metal roofing are acceptable materials.

B. Siding materials

1. Cedar shakes, wood siding, and fiber cement siding (sizes 2", 4", 8", 10", & 12" heights) are acceptable materials.

3. Brick and stone are acceptable materials.

C. Doors and windows

1. Wood, steel and aluminum doors are acceptable.
2. Wood and aluminum windows are acceptable.

D. Foundations

All foundations must meet all local, state, and national building codes, must be within all Building Lines, and the resulting foundation façade must be congruent with the style of surrounding homes.

E. Architectural Elements

1. All rooflines, including carports, porte cocheres, Outbuildings, and garages shall conform to the primary residence. Minimum roof slope shall be 5/12 pitch on all new construction.
2. New houses or existing houses shall have front Elevations that have windows and door openings. Front windows and doors shall not be concealed by fences, shrubs or other structures of any type.
3. On new construction or remodels, garages may not be wider than 50% of the front Elevation of the house.

F. Fences and Masonry Walls

1. No fence shall be constructed forward of the front corner of any new or existing house or garage.
2. Cedar, red wood, fiber cement material, treated wood, wrought iron, heavy gauge chain link and heavy gauge plastic are acceptable materials for new fences.
3. Fences shall be no taller than 8'-0".

G. Driveways and Paved Areas

1. Driveways must be paved.
2. A driveway may not go over the Property Line, unless it is a joint driveway with the adjacent lot.
3. Concrete, brick pavers, stone pavers and pressed concrete are acceptable materials.
4. Driveway and other paved areas should not exceed 30% of the total area in front of the Primary Structure.

H. Porte Cocheres and Carports

1. All porte cocheres and carports (hereafter referred to as "Carports") are to be built behind the Building Lines.
2. Acceptable building materials are as outlined in Section VI, paragraphs A and B, and should be complementary to the residence.

VII. PRESERVATION AND REPLACEMENT OF TREES

If a lot or a portion thereof is cleared for construction or remodeling purposes, resulting in the removal of all trees, the owner is required to plant no fewer than two (2) trees on the lot. The trees must have a life expectancy of at least 20 years and, when planted, the trunk must be at least 5 ½ inches in circumference (1 ¾ inches in diameter), when measured 12 inches above the ground.

VIII. VARIANCES

A. VARIANCE REQUESTS AND APPEALS

THE DRCC may authorize variances from these Restrictions relating to trees, Buildings, Structures, Outbuildings, Elevations, or improvements when circumstances such as topography, natural obstructions, hardship or aesthetic or environmental considerations require. Such variances may only be granted, however, when unique circumstances dictate, and no variance shall: (i) be effective unless requested and approved in writing, or (ii) prevent THE DRCC's denying a variance in other circumstances.

In order to request a variance, a property owner must request such variance, in writing, to THE DRCC. Such request shall be directed to the DRCC and shall be sent via a method which confirms receipt by THE DRCC. The request for variance shall succinctly state the variance requested, why it is requested, and the unique circumstances necessitating the variance. THE DRCC shall approve or disapprove the request for variance within thirty (30) days of receipt of the request. In the event THE DRCC fails to submit a grant or denial of the request for variance, the request shall be deemed to have been denied.

Any property owner who requests a variance as prescribed by these Restrictions, and said requested variance is denied, either expressly or by expiration of time, shall have the right to appeal the denial of said variance request within fourteen (14) calendar days of either the date of the written denial of THE DRCC, or the thirtieth (30th) day after THE DRCC's receipt of the request for variance, whichever comes earlier. The property owner shall submit the appeal of the variance request to the TMNA Executive Committee. Within fourteen (14) days of the receipt of the appeal from the property owner, the TMNA Executive Committee shall review the request and notify the property owner of its decision to uphold the decision of THE DRCC or to overturn the decision of THE DRCC by granting the variance.

No property owner shall be allowed a variance request to change the use of the lot as stated in these Restrictions, Article IV.

B. EXISTING STRUCTURES AND IMPROVEMENTS

Any improvement or Structure existing on any lot in the Subdivision on the date of filing these Restrictions, that was constructed or altered not in conformance with the restrictions in effect for such lot at the time of any such construction or alteration, and is not in conformance with these Restrictions, shall not be deemed to be in violation of these Restrictions. Any such Grandfathered improvement or Structure, however, must be maintained in conformance with these Restrictions. In addition, any such Grandfathered improvement or Structure shall not be enlarged, expanded or extended. This section shall apply to all Structures, Buildings, Outbuildings, Elevations, or improvements in violation of these Restrictions that exist on the date these Restrictions are recorded in the Harris County

Deed Records. This section shall not apply to any Structure, Building, Outbuilding, Elevation, or improvement that was expressly disapproved by THE DRCC, unless such disapproval is the subject of a variance being actively requested by the lot owner(s) through the process provided in these Restrictions.

This section applies only to nonconforming Structures, Buildings, Outbuildings, and Elevations, and does not extend to any nonconforming usage or any nonconforming maintenance of property. It is not the intention of this section to Grandfather any nonconforming usage or maintenance of property.

IX. LIABILITY

Review and approval of any application is made on the basis of aesthetic considerations only and THE DRCC and the TMNA Executive Committee shall bear no responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements. THE DRCC AND TMNA SHALL NOT BE HELD LIABLE FOR (i) ANY INJURY, DAMAGES, OR LOSS ARISING OUT OF THE MANNER OR QUALITY OF APPROVED CONSTRUCTION, OR (ii) ANY ACTION OR FAILURE TO ACT IN CONNECTION WITH ANY APPROVAL OR DISAPPROVAL OF ANY REQUEST FOR APPROVAL OR REQUEST FOR VARIANCE, INCLUDING WITHOUT LIMITATION, MISTAKES IN JUDGMENT, NEGLIGENCE, MALFEASANCE OR NONFEASANCE.

THE HOMEOWNER, REGARDLESS OF ANY CURRENT OR FUTURE WORDING IN THIS DOCUMENT, IS EXPECTED TO ENSURE THAT ANY BUILDING OR REMODELING IS IN COMPLIANCE WITH ALL BUILDING CODES CURRENTLY IN EFFECT.

X. EXTENSION AND ALTERATION OF THESE RESTRICTIONS

These covenants and restrictions are to run with the land and shall be binding on all the parties and all persons claiming under them until December 31, 2010, at which time the covenants shall be automatically extended for successive periods of ten (10) years. These Restrictions may be amended at any time by an instrument executed by the owners, of a majority (50% + 1) of lots in the Subdivision having agreed to change these Restrictions in whole or in part, said document being filed for record in the Real Property Records of Harris County, Texas.

XI. GENERAL PROVISIONS

A. SEPARABILITY AND ENFORCEMENT

The invalidity of any covenant herein (whether by judgment, court order, or otherwise) shall in no way affect any of the other provisions, and they shall remain in full force and effect. If any of the parties hereto, or any of their heirs or assigns, or any owner of any interest in the above described property shall at any time violate or attempt to violate any of the covenants or restrictions herein, it shall be lawful for any person or persons owning any other lot or plot in said subdivision, or for THE DRCC or TMNA or any member thereof, to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenants or restrictions and either to prevent him or them from so doing or to recover damages or other dues for such violations, including reasonable attorney's fees and expenses and other sums allowed under Texas law. Lack of enforcement of any Section of these Restrictions does not in any way void or negate these covenants and Restrictions.

B. VIOLATIONS OF LAW

Any violation of any federal, state, municipal, or local law, ordinance, rule, or regulation, pertaining to the ownership, occupation, or use of any Lot hereby is declared to be a violation of this Declaration and shall be subject to any and all of the enforcement procedures set forth in this Declaration.

C. NO REPRESENTATIONS OR WARRANTIES

No representations or warranties of any kind, express or implied, shall be deemed to have been given or made by TMNA or its agents, employees or committees in connection with any portion of the Properties, or any Improvement thereon, its or their physical condition, compliance with applicable laws, fitness for intended use, or in connection with the sale, operation, maintenance, cost of maintenance, taxes, or regulation thereof, unless and except as specifically shall be set forth in writing.

D. CAPTIONS FOR CONVENIENCE

The titles, headings, captions, articles and section numbers used in these Restrictions are intended solely for convenience of reference and shall not be considered in construing any of the provisions of these Restrictions. Unless the context otherwise requires, references herein to Articles and Sections are to articles and sections of these Restrictions.

E. GOVERNING LAW

These Restrictions shall be construed and governed under the laws of the State of Texas.

F. NOTICES

Any notice required to be sent to any Owner under the provisions of these Restrictions shall be deemed to have been properly sent when mailed, postage pre-paid, to the last known address of the person who appears as Owner on the records of TMNA at the time of such mailing.

G. MULTIPLE COUNTERPARTS

These Restrictions may be executed in one or more counterparts which taken together shall constitute one instrument without the necessity of each party executing the same counterpart.

STATUTORY DURABLE POWER OF ATTORNEY

NOTICE: THE POWERS GRANTED BY THIS DOCUMENT ARE BROAD AND SWEEPING. THEY ARE EXPLAINED IN THE DURABLE POWER OF ATTORNEY ACT, CHAPTER XII, TEXAS PROBATE CODE. IF YOU HAVE ANY QUESTIONS ABOUT THESE POWERS, OBTAIN COMPETENT LEGAL ADVICE. THIS DOCUMENT DOES NOT AUTHORIZE ANYONE TO MAKE MEDICAL AND OTHER HEALTH-CARE DECISIONS FOR YOU. YOU MAY REVOKE THIS POWER OF ATTORNEY IF YOU LATER WISH TO DO SO.

I, Julia A. Vogel of
814 Ashlan Rd Houston TX 77008 of
Harris County, appoint Alphon F. Vogel (husband) of
814 Ashlan Rd Houston TX 77008 of
Harris County, as my agent (attorney-in-fact) to act for me in any lawful way with respect to all of the following powers except for a power that I have crossed out below.

TO WITHHOLD A POWER, YOU MUST CROSS OUT EACH POWER WITHHELD.

Real property transactions;

Tangible personal property transactions;

Stock and bond transactions;

Commodity and option transactions;

Banking and other financial institution transactions;

Business operating transactions;

Insurance and annuity transactions;

Estate, trust, and other beneficiary transactions;

Claims and litigation;

Personal and family maintenance;

Benefits from social security, Medicare, Medicaid, or other governmental programs or civil or military service;

Retirement plan transactions;

Tax matters.

2 ce to Dick Boy

552-85-1381

IF NO POWER LISTED ABOVE IS CROSSED OUT, THIS DOCUMENT SHALL BE CONSTRUED AND INTERPRETED AS A GENERAL POWER OF ATTORNEY AND MY AGENT (ATTORNEY IN FACT) SHALL HAVE THE POWER AND AUTHORITY TO PERFORM OR UNDERTAKE ANY ACTION I COULD PERFORM OR UNDERTAKE IF I WERE PERSONALLY PRESENT.

SPECIAL INSTRUCTIONS:

Special instructions applicable to gifts (initial in front of the following sentence to have it apply):

I grant my agent (attorney in fact) the power to apply my property to make gifts, except that the amount of a gift to an individual may not exceed the amount of annual exclusions allowed from the federal gift tax for the calendar year of the gift.

ON THE FOLLOWING LINES YOU MAY GIVE SPECIAL INSTRUCTIONS LIMITING OR EXTENDING THE POWERS GRANTED TO YOUR AGENT.

UNLESS YOU DIRECT OTHERWISE ABOVE, THIS POWER OF ATTORNEY IS EFFECTIVE IMMEDIATELY AND WILL CONTINUE UNTIL IT IS REVOKED.

CHOOSE ONE OF THE FOLLOWING ALTERNATIVES BY CROSSING OUT THE ALTERNATIVE NOT CHOSEN:

(A) This power of attorney is not affected by my subsequent disability or incapacity.

(B) This power of attorney becomes effective upon my disability or incapacity.

YOU SHOULD CHOOSE ALTERNATIVE (A) IF THIS POWER OF ATTORNEY IS TO BECOME EFFECTIVE ON THE DATE IT IS EXECUTED.

IF NEITHER (A) NOR (B) IS CROSSED OUT, IT WILL BE ASSUMED THAT YOU CHOSE ALTERNATIVE (A).

If Alternative (B) is chosen and a definition of my disability or incapacity is not contained in this power of attorney, I shall be considered disabled or incapacitated for purposes of this power of attorney if a physician certifies in writing at a date later than

2021-05-1302

the date this power of attorney is executed that, based on the physician's medical examination of me, I am mentally incapable of managing my financial affairs. I authorize the physician who examines me for this purpose to disclose my physical or mental condition to another person for purposes of this power of attorney. A third party who accepts this power of attorney is fully protected from any action taken under this power of attorney that is based on the determination made by a physician of my disability or incapacity.

I agree that any third party who receives a copy of this document may act under it. Revocation of the durable power of attorney is not effective as to a third party until the third party receives actual notice of the revocation. I agree to indemnify the third party for any claims that arise against the third party because of reliance on this power of attorney.

If any agent named by me dies, becomes legally disabled, resigns, or refuses to act, I name the following (each to act alone and successively, in the order named) as successor(s) to that agent:

Allen R Vogel - Son

Signed this 8 day of Oct, 2001.
