⁽¹⁾ Rental Trends is a CoreLogic® derived value and should be used for information purposes only.

⁽²⁾ The FSD denotes confidence in an Rental Trends estimate and uses a consistent scale and meaning to generate a standardized confidence metric. The FSD is a statistic that measures the likely range or dispersion a Rental Amount estimate will fall within, based on the consistency of the information available to the Rental Amount at the time of estimation. The FSD can be used to create confidence that the true value has a statistical degree of certainty.
