

NOTICE TO PURCHASER OF SPECIAL TAXING OR ASSESSMENT DISTRICT

The real property that you are about to purchase is located in the Harris County Municipal Utility District No. 285 (the "District") and may be subject to District taxes or assessments. The real property that you are about to purchase may also be located within a designated area of the District known as Defined Area No. 1 ("Defined Area No. 1"), in which case your land may be subject to a higher tax than other land within the District. As of this date, if located in Defined Area No. 1, your rate of taxes will be higher by \$0.00 on each \$100 of assessed valuation than land not within Defined Area No. 1. A metes and bounds description of Defined Area No. 1 has been previously filed of record.

The District may, subject to voter approval, impose taxes and issue bonds. The District may impose an unlimited rate of tax in payment of such bonds. The current rate of the District property tax is \$0.54 on each \$100 of assessed valuation. Additionally, the current rate of the Defined Area No. 1 property tax is \$0.00 on each \$100 of assessed valuation for a total tax rate for real property in Defined Area No. 1 of \$0.54 per \$100 assessed valuation (\$0.54 plus \$0.00).

The total amounts of bonds payable wholly or partly from property taxes, excluding refunding bonds that are separately approved by the voters or any bonds or any portions of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters are:

\$101,690,000 for water, sewer, and drainage facilities; and
\$31,200,000 for road facilities within Defined Area No. 1.

The aggregate initial principal amounts of all such bonds issued are:

\$79,075,000 for water, sewer, and drainage facilities; and
\$0 for road facilities within Defined Area No. 1.

The District is located wholly or partly in the extraterritorial jurisdiction of the City of Houston. Texas law governs the ability of a municipality to annex property in the municipality's extraterritorial jurisdiction and whether a District that is annexed by the municipality is dissolved.

The District has entered into a strategic partnership agreement with the City of Houston. This agreement may address the timeframe, process, and procedures for the municipal annexation of the area of the District located in the municipality's extraterritorial jurisdiction.

The purpose of the District is to provide water, sewer, drainage, and flood control facilities and services. The purpose of Defined Area No. 1 within the District is to provide road facilities and services. The cost of District and Defined Area No. 1 facilities is not included in the purchase price of your property.
