Flag Plaza

Built in 1997 to commemorate Walden's 25th anniversary, the Walden Flag Plaza is both a special and spectacular site. Located at the Yacht Club's Breakwater Peninsula, the plaza contains a trio of giant flags, representing the United States, Texas and Walden. Engraved stones, purchased by former and current Walden residents, form the base of the flag plaza. The stones, and the messages they contain, serve as a scrapbook – memorializing Walden's past and honoring its future. And, needless to say, the view of Lake Conroe is spectacular. Call (936) 582-4222 to reserve your family's paver. The Walden Flag Plaza may be reserved for special events by calling their event specialist at (936) 582-4222.
