Approval shall be as hereinafter provided.

The Architectural Control Committee shall give or withhold approval (as in the opinion of the Committee is proper) of all matters set forth in the preceding paragraph or elsewhere herein. 002-04-1204

will not be required, and the related covenants shall be deemed to have been fully complied with.

22.

These covenants are to run with the land and shall be binding upon all parties and all persons claiming under them until June 1, 1998, at which time said covenants shall be automatically extended for successive periods of ten (10) years each unless by a vote or agreement of a majority of the then owners of lots in the Addition it is agreed to change the said covenants or revoke the same, in whole or in part.

23.

If the parties hereto or their heirs or assigns violate or attempt to violate any of the covenants herein, it shall be lawful for any person or persons owning any lot or lots in the Addition to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing, or to recover damages or other dues from such violation; provided, however, that proceedings at law or in equity to prevent violations hereof or to recover damages or other dues for a violation hereof shall be begun within one (1) year from the date such violation was first committed and not thereafter.

24.

As stated and stipulated hereinabove, these covenants shall not apply or extend to, cover or encumber Commercial Reserve "A" and Commercial Reserve "B" of the Addition which are expressly excluded from and are, and shall be and remain, free of and unencumbered by these covenants; provided, however, that such lots shall be subject to the easements and basic restrictions imposed thereon by the Final Plat of the Addition.
