

The best kept secrets of what can be found within Weston Lakes:

In and west of Fulshear (reportedly the second safest city in Texas in 2023 per SafeWise), Weston Lakes has a particularly safe secure country community feeling within its 24/7 gated security entrance.

Inside is a picturesque community with lakes and fountains, an 18-hole championship golf course, a putting green, a practice/driving range, many beautiful natural settings, meeting spaces, men/women lounges, and a community restaurant/grill with tree-studded courtyard near the putting green (with brunch/lunch/dinner/take-outs/more in picturesque outside and inside settings, place for children to play and run free on family-evenings, as well as a pleasant quiet spot for many).

Social membership of the country club is mandatory, championship golf course membership is optional.

Sports interests include a fitness center, swimming, championship (and beginners) golf, a driving range, putting green, golf lessons, fitness classes, tennis, pickle ball, and more.

A variety of community events, clubs, activities, and private community parks within Weston Lakes are available.

Pecan Park is known for a gazebo, picnic tables, walking, horseshoes, boat ramp, and new recreational center with community pool, splash pad, tennis courts, with baseball/soccer field and volleyball further planned.

Riverwood Park is known for its playground and picnic tables.

Residents have access to a tree'd park along the Brazos River, with walking and picnic tables.

A Bird Sanctuary offers seating, walking, natural plants, and a variety of birds that frequent the area.

Weston Lakes is known for its natural beauty, its variety of birds, and pleasant country community living where people keep to themselves or socialize as they wish.

People of all ages enjoy Weston Lakes.

Many enjoy walking and cycling around the lovely Weston Lakes neighborhood.

Further beautiful lakes with nesting birds, pleasant walking and cycling are nearby as well.

A new elementary school directly across from the main entrance serves many neighborhood children, and more developments are planned nearby as well.

Homes in this established neighborhood range from more affordable to many millions of dollars.

Resident's golf carts that meet Country Club requirements are enjoyed not only on the golf course, but also around the neighborhood to access parks or community venues, participate in social events, and to enjoy the serenity and beauty of the area.

Weston Lakes offers country living accessible to the city and its surrounds, with nearby farmers' markets, a large variety of restaurants, schools, entertainment, shops, supermarkets, coffee shops etc.

Residents commuting to Houston/surrounding areas, return home via open skies and bluebonnets to an oasis of country air and natural beauty. Many have moved out of city streets to enjoy this.
