

2006

LAKE RULES

PARK HOURS

There will be no park hours for homeowners. If you fish at night, please respect those homeowners who live on the lake and keep noise to a minimum.

GUESTS

Property owners must be at home, or at least within the subdivision, while guests are fishing on the lake except for any family members of the homeowner.

CATCHING FISH

No trout lines will be allowed, pole fishing only. Any fish, except croppy, that is 8-10 inches may be kept. Any fish 14-21 inches must be released back into the lake. No croppy may be kept at this time and there are no limitations on all other fish.

PLEASE RESPECT THE PARK

String, cans and pollutants will hurt the fish as well as damage equipment used to mow the park. Please dispose of all trash in the trash receptacle and respect the environment.

BOATS

All boats must be marked with the owners name and no gas motors are allowed.

These rules will be effective immediately.

Sincerely,

Shannon Huffmeister  
Lynn Slaid  
Teryl Pittman  
Donnie Irvan
