Rose Roofing Company, Inc.

16122 LAKEVIEW DRIVE (713-849-5155)
HOUSTON, TX 77040-2026

Date: June 5, 2013

Sold To: Tom Gederberg
3119 Linkwood Drive
Houston, TX 77025

House and garage: Tear off 1 existing roof and haul off roofing trash. Felt existing deck with Owens Corning fiberglass felt underlayment. Nails used in installation of shingles (no staples). Install Owens Corning TruDefinition, Duration, (130 mph wind rated), Architectural style, Algae Resistant fiberglass shingles, Teak in color. Install RIZERidge (textured ridge cap) to ridge line. Leave existing colored metal eave strip to drip line. Owens Corning Starter Strips installed. Lace shingles in valleys with Owens Corning Weatherguard underlayment. Replace 5 plumbing vents and 2 metal heater vents. Reinstall furnace and hot water heater vents, seal collars and spray paint to match. Replace dented caps of both. Install approximately 56 linear feet of Shingle Over ridge vents in 3 sections.

If needed: Replace up to 3 sheets of plywood on roof deck which is rotten and as roofer deems necessary.

To be noted: See "Roofing trash on grounds" about debris, gutters, and plants.

A 7-year no leak warranty on work performed. A written explanation of warranty and information sheet are enclosed. No other repairs or warranties implied.

Total due upon completion \$10,400.00
