

1139 Fair Oaks Road, Houston, TX 77023

Items that come with sale:

- Amplifier and speakers for the pool (2 facing the yard and two facing the pool)
- Tuff Shed w/AC and network to the house
- Reolink Cameras with high performance workstation for software/recording. Workstation can be used for many other applications
- Four network switches (One in the garage used for camera's), Two in the theater room closet (One for Cameras and other is the main switch for the rest of the house and small one in living room entertainment center. Two of the network switches are PoE (Power Over Ethernet). Cameras only require the network cable and do not require the small black transformer.
- Epson 3D projector with 3D glasses. Amazing 165 inch of eye candy.
- RCA receiver with 5.1 Surround sound ceiling mounted speakers.
- ROKU device for Theater
- Switch for more HDMI devices
- Closet fan that takes heat to the attic so the life of projector bulb is longer.
- 2 - UPS's. One in the Theater room closet and the other in the living room entertainment center
- Ecobee Thermostat
- Smart doorbell with Camera
- Small TV in kitchen
- Metal cabinets I don't want. If you don't want them I can put them on the street and they will be gone in an hour, but who doesn't want storage?
