Dear Property Owner:

This letter is your official notice of the 2024 property tax appraisal for the account listed above. Fort Bend Central Appraisal District (FBCAD) appraises all property in Fort Bend County for property tax purposes. Your county, city, school district, and other local governments use the appraisal in calculating your property taxes. Property taxes support critical services such as schools, police and fire protection, street maintenance, and many others.

By law, we must appraise property at market value as of January 1, 2024. Market value is the price for which it would have sold in the open market. You can find additional information about the appraisal, along with the details of your property, on our website at [www.fbcad.org](http://www.fbcad.org).

Shown below is your appraised value for 2024:

**2024 Market Value: \$108,782**

**2024 Appraised Value: \$223**

\*If your property qualifies as a residence homestead and your 2024 market value increased by more than 10%, your 2024 appraised value may be less than the market value.

On the back of this page, you will find a table detailing information about your appraisal, the taxing units that tax your property, and any exemptions that have been applied to your property.

If you believe that the values above are not accurate or if you are dissatisfied with any determination relating to your property, we encourage you to file a protest with the Fort Bend Appraisal Review Board (ARB). To help you better navigate the protest process, we have included detailed information about protests and the ARB with this letter. You may file a protest until May 15, 2024, or 30 days after the mailing of this letter, whichever is later.

FBCAD's office hours are Monday through Friday from 8:00AM to 4:30PM. For additional information about your property and the protest process please visit our website at [www.fbcad.org](http://www.fbcad.org) or call us at 281-344-8623.

Sincerely,

Fort Bend Central Appraisal District

The governing body of each taxing unit decides whether taxes on the property will increase and the appraisal district only determines the property's value.

The Texas Legislature does not set the amount of your local taxes. Your property tax burden is decided by your locally elected officials, and all inquiries concerning your taxes should be directed to those officials.

Under Section 23.231, Tax Code, for the 2024, 2025, and 2026 tax years, the appraised value of real property other than a residence homestead for ad valorem tax purposes may not be increased by more than 20 percent each year, with certain exceptions. The circuit breaker limitation provided under Section 23.231, Tax Code, expires December 31, 2026. Unless this expiration date is extended by the Texas Legislature, beginning in the 2027 tax year, the circuit breaker limitation provided under Section 23.231, Tax Code, will no longer be in effect and may result in an increase in ad valorem taxes imposed on real property previously subject to the limitation.

If you qualified your home for an age 65 or older or disabled person homestead exemption for school taxes, the school taxes on that property cannot increase as long as you own and live in that home. The tax ceiling is the amount you pay in that year that you qualified for the age 65 or older or disabled person exemption. The school taxes on your home may not go above the amount of the ceiling, unless you improve the home (other than normal repairs or maintenance).
