Autopay - Variable

Rate:

The Annual Percentage Rate (APR) and Monthly Payment Schedule above are based, in part, on the Autopay payment option you selected in the loan application. You may change your Autopay payment option at any time. Selecting Autopay payments provides a 0.50% interest rate/APR discount and a lower monthly payment. Cancelling Autopay payments will raise your interest rate/APR by 0.50% and

Amount Financed

Total of Payments

will result in a higher monthly payment.

Security: You are giving a security interest in the personal property you are purchasing in this transaction and

your rights under any related agreement.

Prepayment: If you pay off your loan early, you will not have to pay a penalty.

Contract Reference: See your Loan Agreement ("Agreement") for any additional information about nonpayment, default,

and any required repayment in full before the scheduled date.

Itemization of Amount Financed

Itemization of the amount financed: \$41,406.25

Amount given to you directly: \$0

Amount paid to others on your behalf: \$41,406.25 to Fastrac Energy Services

The "Loan Start Date" is the date we send funds to your contractor. This date must be within 180 days of the initial application date.

This loan is assumable upon the sale of the property to a new owner, if the new homeowner qualifies under GoodLeap's underwriting guidelines and if the assumption is approved by GoodLeap. GoodLeap holds the right to deny the assumption, even if the new homeowner qualifies under GoodLeap's underwriting guidelines.

The Payment Schedule shown above assumes that you make no voluntary prepayments on your Loan. However, we have designed the Loan so that it will re-amortize at the end of the 18th month after your Loan Start Date. As a result, if you make all scheduled payments on time and also make sufficient voluntary prepayment(s) to reduce your total loan amount to the "Target Balance" by the "Target Balance Date" described in your Agreement, your payments from month 19 through the end of your term will be approximately equal to your initial monthly payment stated above.

Your Contractor may have opted to pay GoodLeap a fee in order for GoodLeap to offer you credit on the terms in this Agreement. Your purchase price set by the Contractor may include your Contractor's various costs, including this fee.

The Payment Schedule shown above assumes you make no changes to your Autopay payment option. For example, your 25 year loan of \$41,406.25 with Autopay payments will have an interest rate/APR of 2.99% and an initial monthly payment of \$141.20

| per month. Your 25 year loan of \$41,406.2 monthly payment of \$149.59 per month. | 5 without Autopay payments will h | ave an interest rate/APR of 3.49% ar | nd an initial |
