MAC LANE
(40' ROW - Asphalt)

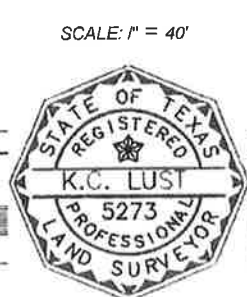

Restrictions: Recorded in Volume 4431, Plat of Survey, Smith County, Texas, and Volume 508, Plat of Survey, Smith County, Texas, dated July 2, 1981, the subject tract lies within Zone "C" areas of minimal flooding.

The Following Easements do not appear to affect the subject tract:
Volume 4367, Pg. 25.

NUMBER	DELTA	ANGLE	CHORD	DIRECTION
40				

To the best of my knowledge and belief, the plat hereon is a true and correct representation of the property as determined by the lines and dimensions of said property found to be as indicated by plat, the title, location and title of buildings and improvements thereon.

There are no encroachments, conflicts, or other matters shown on this plat which have not been indicated.
