| *For purposes of this notice:   |
| "100-year floodplain" means any area of land that:  (A) is identified on the flood insurance rate map as a special flood hazard area, which is designated as  |
| Zone A, V, A99, AE, AO, AH, VE, or AR on the map; (B) has a one percent annual chance of flooding, which is considered to be a high risk of flooding; and   |
| (C) may include a regulatory floodway, flood pool, or reservoir. "500-year floodplain" means any area of land that:   |
| (A) is identified on the flood insurance rate map as a moderate flood hazard area, which is designated  |
| on the map as Zone X (shaded); and (B) has a two-tenths of one percent annual chance of flooding, which is considered to be a moderate  |
| risk of flooding.  "Flood pool" means the area adjacent to a reservoir that lies above the normal maximum operating level of the  |
| reservoir and that is subject to controlled inundation under the management of the United States Army Corps of  |
| Engineers.  "Flood insurance rate map" means the most recent flood hazard map published by the Federal Emergency  |
| Management Agency under the National Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seq.).  |
| "Floodway" means an area that is identified on the flood insurance rate map as a regulatory floodway, which   |
| includes the channel of a river or other watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to as a 100-year flood, without cumulatively increasing the water surface elevation of more   |
| of a base flood, also referred to as a 100-year flood, without cumulatively increasing the water surface elevation of more than a designated height.  |
| "Reservoir" means a water impoundment project operated by the United States Army Corps of Engineers that is   |
| intended to retain water or delay the runoff of water in a designated surface area of land.   |
| Have you (Seller) ever filed a claim for flood damage to the property with any insurance provider, including the National Flood Insurance Program (NFIP)?* Yes No. If yes, explain (attach additional sheets as necessary):   |
|   |
| *Homes in high risk flood zones with mortgages from federally regulated or insured lenders are required to have flood insurance. Even when not required, the Federal Emergency Management Agency (FEMA) encourages homeowners in high risk, moderate risk, and low risk flood zones to purchase flood insurance that covers the structure(s) and the personal property within the structure(s). |
| Have you (Seller) ever received assistance from FEMA or the U.S. Small Business Administration (SBA) for flood damage to the property? Yes No. If yes, explain (attach additional sheets as necessary):   |
