The Association has mandatory membership and includes all Owners of the Lots which comprise Piney Creek, Sections I, II, III and IV.

Each Owner of a Lot, whether one or more persons or entities, are automatically Members of the Association until such ownership ceases for any reason, at which time his membership in Association will automatically cease.

Membership in Association is appurtenant to Ownership of a Lot. It automatically follows the ownership of each Lot, and may not be separated from the ownership of a Lot.

B. MEMBERSHIP AND VOTING. Owners of each Lot within the Association are entitled to one (1) vote for each non-contiguous Lot owned. Except that an Owner or Owners who jointly own two (2) or more contiguous Lots will have only one vote.

If a Lot or contiguous Lots are owned by more than one Member of the Association, the Members who co-own the Lot(s) must exercise their right to vote in such manner as they may among themselves determine, but in no event may more than one (1) vote be cast for the Lot or contiguous Lots. Fractional votes are not allowed. Such Members must appoint one of them as the Member who is entitled to exercise the vote of the Lot or contiguous Lots at any meeting of the Association.

If a Lot or contiguous Lots is/are owned by more than one Member of the Association, and no single Member is designated to vote on behalf of the other Members having an

ownership interest in such Lot or contiguous Lots, then the Member exercising the vote is deemed to be voting on behalf of the other Members having an ownership interest in the Lot or contiguous Lots.

The vote required to approve any action under the Texas Non Profit Corporation Law must be at least two-thirds (2/3) of the votes submitted by the Members/Owners present, by proxy, email, or facsimile. Any of these voting methods are acceptable. Voting validation will be counted by the Board Members plus two independent persons who are not Association Members or relatives of a Member. Voting results will be documented and filed for Member(s) viewing and audit upon written request.

All Members of the Association may attend meetings of the Association and all Members may exercise their vote at such meetings either in person or proxy.

C. BOARD OF DIRECTORS. The Association will act by and through a Board of Directors, composed of a minimum of three (3) and a maximum of five (5) Members, who are elected for a term of two (2) years by a majority in votes of the Association Members voting in each annual election. Terms of the Directors will be staggered, as set forth in the Bylaws, to provide for continuity and stability of the Board.

A five (5) person Board of Directors will be composed of the following positions: President, Vice President, Building Committee Chair, Secretary, and Treasurer. A Board of Directors with fewer than five (5) persons will have a minimum of a President, a Secretary, and a Treasurer, any or all of whom may assume the responsibilities of the Vice President and Building Committee Chair.

If any Member of the Board of Directors dies, resigns, or becomes unable to perform their duties, the remaining Directors will appoint a new Director to serve for the remaining term.

Board membership is a voluntary position. No Director is entitled to compensation other than reimbursement of expenditures incurred in the performance of Association business.

D. FUNCTIONS OF THE BOARD. The Board of Directors is responsible for the affairs of the Association and has all of the powers and duties necessary for the administration of the Association's affairs. As provided by law and as further set forth in the Bylaws, the Board may do all acts and things that are not by this Declaration or the Bylaws directed to be done and exercised exclusively by the Members.

3. BUILDING COMMITTEE REVIEW.

In order to preserve the architectural and aesthetic appearance of the Subdivision, to establish and preserve a harmonious design, and to protect and promote the value of the Lots and Improvements thereon, no Improvement of any nature that affects a building, structure, or Improvement may be commenced, erected, installed, placed, moved onto, altered, replaced, or relocated by an Owner unless plans therefor have been submitted to and approved in writing by the Building Committee.

Approval or disapproval by the Building Committee must be rendered in writing, and signed by an authorized Building Committee representative.

The Building Committee, at its sole discretion, may approve a variance in building area and location in instances if, in its sound judgment, such deviations will result in a more commonly beneficial use. All variances must be in writing and signed by an authorized Building Committee representative.

4. ANNUAL MAINTENANCE ASSESSMENT.

Each Lot in Piney Creek is subject to an Annual Maintenance Assessment; however, the Owner or joint Owners of two or more contiguous Lots will pay only one Annual Maintenance Assessment and will have only one vote pursuant to Section 2.B. of this Declaration.

The funds generated by the collection of the Annual Maintenance Assessments and any other proceeds will be held, managed, invested and expended by the Board, in its sole discretion, for the benefit of the Subdivision and the Owners of Lots therein.

The Board may, by way of illustration and not by way of limitation, expend Association funds for the administration, management, and operation of the Subdivision; for the maintenance, repair and Improvement of the Common Area; for the maintenance of any easements granted to Association; for the enforcement of the provisions of this Declaration by action at law or in equity, or otherwise, and the payment of court costs as well as reasonable and necessary legal fees; for the establishment and maintenance of a reserve fund; and for all other purposes that are, in the discretion of the Board, desirable in order to maintain the character and value of the Subdivision and the Lots therein.

Neither the Board nor the Directors individually are liable to any person as a result of actions taken by the Board with respect to the Association funds, except for willful neglect or intentional wrongdoing.

The amount of the Annual Maintenance Assessment will be established by the Board of Directors annually, based on the budget established by the Board for the upcoming calendar year. Without a vote of the Members, the Board of Directors may increase the Annual Maintenance Assessment in an amount not to exceed a ten percent (10%) increase over the prior year's Annual Maintenance Assessment. An increase in the Annual Maintenance Assessment that exceeds ten percent (10%) requires written approval of a majority of the votes cast by the Association.

The Annual Maintenance Assessment is due by December 31, annually. Any Assessment that is not paid by December 31 each year will bear interest at the rate of twelve percent (12%) per annum. Any Owner who fails to pay the Annual Maintenance Assessment by the due date will be charged a late fee of one hundred percent (100%) of the current Assessment.

The Board of Directors of the Association must fix the amount of the Annual Maintenance Assessment to be levied against each Lot based upon the budget adopted by the Board for the upcoming calendar year. Written notice of the figure at which the Board of Directors of the Association has set the Annual Maintenance Assessment for each Lot must be sent to every Lot Owner.

The Association may allow an Owner to pay past due amounts to the Association pursuant to a payment plan agreement that is agreed upon by the Board of Directors and the Owner. Any payment plan must be in writing and signed by the Owner(s) and a representative of the Board.

The Treasurer must maintain a current list of all Owners which indicates who is in good standing and who is delinquent. Notices of delinquency will be sent to Owners via email (provided that an email address has been provided to the Association), First Class Mail, or Certified Mail.

No Owner is exempt or excused from paying an Annual Maintenance Assessment or Special Assessment by waiver of the use or enjoyment of the Common Areas, or any part thereof, or by abandonment of his Lot or his interest therein.

5. SPECIAL ASSESSMENT.

If the Board at any time, or from time to time, determines that the Annual Maintenance Assessments charged for any period are insufficient to provide for the continued operation of the Subdivision, or any other purposes contemplated by the provisions of this Declaration, the Board may propose a Special Assessment in an amount deemed necessary to provide for such continued maintenance and operation of the Subdivision.

No Special Assessment will be effective until it is approved in writing by a majority of all votes cast by Association Members.

A Special Assessment approved by the Members will be payable in the manner determined by the Board, and the payment thereof will be the personal obligation of the Owner of each Lot.

The amount of any Special Assessment levied against Lots must be uniform.

6. LAND USE, BUILDING TYPES, DWELLING SIZES, CONSTRUCTION.

No Lot may be used for any purpose except single family residential or recreational use. The terms "residential purposes and recreational use" as used herein will be held and construed to prohibit hospitals, clinics, duplex houses, apartment houses, boarding houses, hotels/motels, and retail businesses.

10. LOT MAINTENANCE.

The Owner of each Lot or Lots shall be responsible for keeping the premises, building, improvements, appurtenances, and landscaping in a well-maintained, safe, clean, and attractive condition at all times, so as to not detract from the value, use, or enjoyment of adjacent Lots or from the aesthetic quality of the Subdivision as a whole.

If, in the opinion of the Piney Creek Board of Directors, any Owner of a Lot is failing in this responsibility, the Lot owner will be sent a Deed Restriction Violation notice and will be given thirty (30) days to correct the violation.

Failure to correct the violation within the stated time frame will result in a fine being assessed to the Owner. The fine will be one hundred percent (100%) of that year's Annual Maintenance Assessment plus any unpaid past dues and fines.

The Board of Directors also has the right and power to perform such care and maintenance, and the Owner of the Lot shall be liable for the cost thereof. Dogs, cats, and other household pets may be kept on any Lot, provided they are not kept, bred, or maintained in excessive numbers, or for any commercial purpose.

Livestock, including but not limited to horses, cows, goats, rabbits, chickens, and other domestic fowl, may be kept for the personal use and pleasure of the Owner of any Lot and to support any applicable agricultural exemptions for ad valorem tax purposes, as may be allowed under Texas Law, but not for commercial business purposes.

All livestock must be kept in suitable enclosures for the number and type of the animal. Any livestock enclosure which is overcrowded, not adequately maintained and cleaned, which presents an unkempt appearance, or produces noxious odors, may be declared a nuisance by the Board of Directors and ordered removed from the Lot. The keeping of livestock must not otherwise be or become a nuisance to other Owners.

The number of livestock permitted is limited by grazing acreage as recommended by the Texas A&M University guidelines for livestock management, unless the existing grassland is supplemented with hay and feed, and all animals are well cared for.

In the event that this results in personal injury or damage to another owner's property, the owner is at risk of criminal charges for personal injury or civil lawsuits for property damage. The PCPOA and the Board of Directors are not responsible for any Owners shooting on their property or any resulting damages or injury due to any Owners carelessness/mistakes.
