# NOTICE TO PURCHASER OF SPECIAL TAXING OR ASSESSMENT DISTRICT

**GF NUMBER: 2411618-CPK**  
**THE STATE OF TEXAS**  
**COUNTY OF HARRIS**

The real property, described below, which you are about to purchase is located within **HARRIS COUNTY MUNICIPAL UTILITY DISTRICT No. 457** (the "District"). The District has taxing authority separate from any other taxing authority, and may, subject to voter approval, issue an unlimited amount of bonds and levy an unlimited rate of tax in payment of such bonds. As of this date, the rate of taxes levied by the District on real property located in the District is **\$1.43** on each \$100.00 of assessed valuation. The total amount of bonds, excluding refunding bonds and any bonds or any portion of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters of the District and which have been or may, at this date, be issued is **\$192,090,000 for water, sanitary sewer, drainage and flood control facilities; \$70,240,000 for park and recreational facilities; and \$58,465,000 for road facilities**, (plus master district facilities, if any), and the aggregate initial principal amount of all bonds issued for one or more of the specified facilities of the District and payable in whole or in part from property taxes is **\$29,420,000 for water, sanitary sewer, drainage and flood control facilities; \$0 for park and recreational facilities and \$12,700,000 for rad facilities**.

The district is obligated by a contract approved by the voters to pay its pro rata share of the debt service of contract revenue bonds to finance the regional facilities to serve the district and other MUDs that are part of the Elyson regional system. An aggregate of \$779,230,000 in bonds have been authorized to finance these regional facilities.

The District has the authority to adopt and impose a standby fee on property in the District that has water, sanitary sewer or drainage facilities and services available but not connected and which does not have a house, building, or other improvement located thereon and does not substantially utilize the utility capacity available to the property. The District may exercise the authority without holding an election on the matter. As of this date, the most recent amount of the standby fee is **\$0**. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certificate from the District stating the amount, if any, of unpaid standby fees on a tract of property in the District.

The District is located in whole or in part in the extraterritorial jurisdiction of the City Houston (the "City"). By law, a district may be annexed by the City without the consent of the district if the City complies with the requirements of Chapter 43, Texas Local Government Code, as amended, which may include voter approval. When a District is annexed, the District is dissolved.

The purpose of this District is to provide water, sewer, drainage and flood control facilities and services within the District through the issuance of bonds payable in whole or in part from property taxes. The cost of these utility facilities is not included in the purchase price of your property, and these utility facilities are owned or to be owned by the District and/or another governmental entity.

The legal description of the property which you are acquiring is as follows:
