

*Simply Exceeding Expectations*

## TOP FEATURES ENJOYED MOST BY OWNERS

One of the features I enjoy most is my high ceilings. They make the room feel very large and open.

I enjoy being at a dead end street. There is no traffic down my street and my son can run around and play freely. It also makes it feel a bit more secluded and private.

I enjoy my porch in the back that allows me to have my open space to enjoy the nature!
