

AMENDMENT TO AMENDED AND RESTATED
DISTRICT INFORMATION FORM

STATE OF TEXAS §
COUNTY OF HARRIS §
HARRIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 322 §

The District Information Form for Harris County Municipal Utility District No. 322 is hereby amended by amending Section 9 as follows:

3. The most recent rate of taxes on property located in the District is \$0.38 per \$100 of assessed valuation.

9. The form of Notice to Purchasers required by Section 49.4521 of the Texas Water Code as furnished by a seller to a purchaser of real property in the District, is amended to read as follows:

NOTICE TO PURCHASER OF SPECIAL TAXING OR ASSESSMENT DISTRICT

The real property which you are about to purchase is located in Harris County Municipal Utility District No. 322 may be subject to district taxes or assessments. The district may, subject to voter approval, impose taxes and issue bonds. The district may impose an unlimited rate of tax in payment of such bonds. The current rate of the district property tax is \$0.38 on each \$100 of assessed valuation.

The total amount of bonds payable wholly or partly from property taxes, excluding any bonds or any portion of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters are:

- (i) \$19,500,000, for water, sewer, and drainage facilities;
- (ii) \$0 for road facilities; and
- (iii) \$0 for parks and recreational facilities.

The aggregate initial principal amounts of all such bonds issued are:

- (i) \$17,420,000 for water, sewer, and drainage facilities.

The district sought and obtained approval of the Texas Commission on Environmental Quality to adopt and impose a standby fee. The amount of the standby fee is \$-0-. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certificate from the district stating the amount, if any, of unpaid standby fees on a tract of property in the district.

The district is located wholly or partly in the extraterritorial jurisdiction of the City of Houston, Texas. Texas law governs the ability of a municipality to annex property in the municipality's extraterritorial jurisdiction and whether a district that is annexed by the municipality is dissolved.

The purpose of this district is to provide water, sewer, drainage, or flood control facilities and services. The cost of the district facilities is not included in the purchase price of your property.
