Previous Foundation Repairs – Foundation work was performed on the house before we purchased it in May of 2015. We have had no foundation issues since we purchased.

Previous Roof Repairs – After Hurricane Harvey we had our roof looked at. They found loose flashing around chimney and repaired that and also refinished the flat sections outside the upstairs bedroom windows.

Water Damage Not Due to a Flood Event – Our AC unit drain line did not drain properly causing water to overflow into the house. We were not home for a week or so and the water creeped into several rooms. Insurance claim was filed and all damage was fixed to our satisfaction.

Previous treatment for termites or WDI – Previous owners indicated treatment prior to us purchasing the home in 2015. We have no signs of termite damage.

Previous termite or WDI damage repaired – Previous owners indicated treatment prior to us purchasing the home in 2015. We have no signs of termite damage.
