

Upgrades/Repairs/Amenities List

Note: Please use this list to inform us of any upgrades and amenities that you feel will help your home stand out in the market place. If there were any items in the home that were added, repaired or upgraded, please notate those items below. We want you to include those items along with the dates and the associated purchase/market values to help us with the marketing and sale of the property.

1. Extended Stamped Concrete Patio
2. Extended Sitting Area in Backyard
3. New HVAC Coils
4. Revers Osmosis Filter Under Sink
5. Water Softener
6. New Windows in Living Room and Breakfast Room
