 This survey is made in conjunction with the information provided by Trueline Technologies. Use of this survey by any other parties and/or for other purposes shall be at user's own risk and any loss resulting from other use shall not be the responsibility of the undersigned. This is to certify that I have on this date made a careful and accurate survey on the ground of the subject property. The plat hereon is a correct and accurate representation of the property lines and dimensions as indicated; location and type of buildings are as shown; and EXCEPT AS SHOWN, there are no visible and apparent encroachments or protrusions on the ground.
