From Texas Association of Realtors®- Summary of Applicable Law

When adopting tenant selection criteria, one should consider the following statutes:

- (a) Section 92.3515 of the Property Code; and*
- (b) The Fair Credit Reporting Act, 15 U.S.C.A, Section 1681, Chapter 41.*

Texas Property Code Section 92.3515 requires you to make available to a residential tenancy applicant a copy of your printed tenant selection criteria and the grounds for which a rental application may be denied. While you do not have to provide a copy of the policy every time you receive an application, you are required to have a copy of your selection criteria available in the event an applicant requests it. Failure to make a copy of the tenant selection criteria available to an applicant who is rejected could result in the landlord's forfeiture of any application fee and application deposit.

The Federal Fair Credit Reporting Act requires a landlord to provide certain information to an applicant who is rejected based upon information the landlord obtained from the applicant's Credit Reporting Agency (CRA) report, commonly referred to as a credit report. That information includes the agency from which the information was obtained and that agency's contact information. To comply with that requirement, you should use TXR 2212, "Adverse Action Notice and Credit Score Disclosure", or an equivalent form.

ALWAYS have a conversation and document in writing your clients' requirements for this particular property.
