ARCHITECTURAL CONTROL COMMITTEE**

A. Construction plans, specifications and a plot plan showing the location of any structure or improvements, landscaping, easements, and building lines must have been submitted to and approved by the Committee, its successors or assigns, as to compliance with these restrictions, as to quality of material, harmony of external design with existing and proposed structures and as to location with respect to topography and finish grade elevation before any building or improvements of any character shall be erected or placed, or the erection begun on Lot.

B. The Committee will be appointed by the Declarant. Upon the death or resignation of any member of the Committee, the Declarant will have the full authority to designate a successor. No member of the Committee, nor its representative, shall be entitled to any compensation for services performed pursuant to this Declaration, nor shall any member of the Committee be personally liable for any act relating to approval or disapproval of construction plans and specifications or the enforcement of any of the restrictions. The Committee hereby agrees to assign its rights to approve or disapprove plans and specifications, locations of structures, construction contracts, permitted deviations and all other documents or approvals required to be submitted to it, to the Committee created by and controlled by the Association, or its designees, when One Hundred Percent (100%) of all of the Lots in the Subdivision are occupied by residents. Portions of the Committee's right of approval may be transferred to the Association prior to One Hundred Percent (100%) of the Lots being occupied at the sole discretion of the Declarant.

C. In the event that within thirty (30) days after receipt of the required documents, the Committee fails to approve or disapprove the plans and specifications submitted, approval shall be deemed denied. In instances where, in its judgment, such deviations will result in a more commonly beneficial use, the Committee, at its sole discretion, is hereby permitted to approve deviations in building location and such other deviations from the terms of this Declaration as are herein expressly authorized to be permitted by the Committee. Such approval must be granted in writing, and recorded in the Real Property Records of Brazos County, Texas, and when given, will become a part of these restrictions. Such approval shall not indicate the Committee's approval for any other purposes and shall not be construed as any representation by the Committee as to, or responsibility for, the design or quality of the improvements or the ultimate construction thereof. The Board of Directors of the Association (the "Board"), in its sole discretion, is hereby authorized to establish standards and architectural guidelines beyond the restrictions set herein on items including, but not limited to, house elevations, landscaping, sidewalk construction, garage placement, exterior materials and colors, roofing and grading.

D. Notwithstanding anything contained in this Declaration to the contrary, the members of the Committee shall be entitled to reimbursement by the Association for reasonable expenses incurred by them in the performance of their duties hereunder as the Board from time to time may authorize or approve. It is understood that the Committee may delegate all or part of its authority hereunder to review the documents submitted to it and that the Committee may retain the services of architects, engineers and others (and the Owner making application shall pay all fees for such services) from time to time for the purpose of reviewing such documents and making

recommendations as to approval, disapproval or modification thereof. In addition, the Committee may charge and collect a fee for processing an application submitted to the Committee for approval in an amount to be determined by the Board in its sole discretion. The Committee may also charge and collect such other fees or deposits as the Board may determine are reasonable and necessary. All fees and deposits are subject to change by the Board without prior notice.

E. After approval of any proposed improvement to a Lot, the proposed improvement shall be accomplished as promptly and diligently as possible and in strict conformity with the description of the proposed improvement in the materials submitted to the Committee. Failure to complete the proposed improvement within three (3) months after the date of approval or such other period of time as shall have been designated in writing by the Committee (unless an extension has been granted by the Committee in writing) or to complete the improvement in strict conformity with the description and materials furnished to the Committee, shall operate automatically to revoke the approval by the Committee of the proposed improvement. No improvement shall be deemed completed until the exterior fascia and trim on the structure have been applied and finished and all construction materials and debris have been cleaned up and removed from the site and all rooms in the dwelling unit, other than attics, have been finished. Removal of materials and debris shall not take in excess of ten (10) days following completion of the exterior.

F. The Committee or its duly authorized representative shall have the right, but not the obligation, to inspect any improvement before or after completion.

G. If, as a result of inspections or otherwise, the Committee finds that any improvement has been constructed or undertaken without obtaining the approval of the Committee, or has been completed other than in strict conformity with the description and materials furnished by the Owner to the Committee, or has not been completed within the required time period after the date of approval by the Committee, the Committee may notify the Owner in writing of the noncompliance ("Notice of Noncompliance"). The Notice of Noncompliance shall specify the particulars of the noncompliance and shall require the Owner to take such action as may be necessary to remedy or remove the noncompliance within the period of time set forth therein.

H. If the Committee finds that a noncompliance continues to exist after such time within which the Owner was to remedy the noncompliance as set forth in the Notice of Noncompliance, the Association may, at its option but with no obligation to do so, (a) record a Notice of Noncompliance against the Lot on which the noncompliance exists in the Office of the County Clerk of Brazos County, Texas; (b) remove the noncomplying improvement; and/or (c) otherwise remedy the noncompliance (including, if applicable, completion of the improvement in question), and, if the Board elects to take any action with respect to such violation, the Owner shall reimburse the Association upon demand for all expenses incurred therewith and such costs and expenses shall constitute a Charge as set forth in Article VI hereof. The permissive (but not mandatory) right of the Association to remedy or remove any noncompliance (it being understood that no Owner may require the Association to take such action) shall be in addition to all other rights and remedies that the Association may have at law, in equity, under this Declaration, or otherwise.

I. No action or failure to act by the Committee shall constitute a waiver or estoppel

with respect to future action by the Committee or the Board, with respect to any improvement. Specifically, the approval by the Committee of any improvement shall not be deemed a waiver of any right or an estoppel against withholding approval or consent for any similar improvement or any similar proposals, plans, specifications, or other materials submitted with respect to any other Improvement by such Owner or otherwise.

J. None of the members of the Committee, the Association, any member of the Board, or Declarant shall be liable for any loss, damage, or injury arising out of or in any way connected with the performance of the duties of the Committee. In reviewing any matter, the Committee shall not be responsible for reviewing, nor shall its approval of an improvement be deemed approval of the improvement from the standpoint of safety, whether structural or otherwise, or conformance with building codes, or other governmental laws or regulations. Furthermore, neither Declarant, the Association, the Board, the Committee, or their officers, agents, members, or employees shall be liable for any incidental or consequential damages for failure to inspect any premises, improvements, Lot or portion thereof, or for failure to repair or maintain the same.

K. During the course of actual construction of any permitted structure or improvement to a Lot, and provided construction is proceeding with due diligence, the Board may temporarily suspend certain provisions of this Declaration as to the Lot upon which the construction is taking place to the extent necessary to permit such construction; provided, however, that during the course of any such construction, nothing shall be done that will result in a violation of any of the provisions of this Declaration upon completion of construction or that will constitute a nuisance or unreasonable interference with the use and enjoyment of other property within the Properties.

ARTICLE IV USE OF LOTS AND RESERVES

A. **Buildings.** All buildings shall be designed by a registered architect or a member in good standing of American Institute of Building Design or Texas Institute of Building Design. No building shall be constructed, altered, or permitted to remain on any Lot for other than single family residential purposes. No single family residential dwelling (a "Dwelling"), shall be constructed on less than one (1) Lot. The Dwelling is not to exceed two (2) visible stories in height with a maximum height of all stories not to exceed thirty feet (30') in height and shall include a private garage for not less than one (1) nor more than four (4) automobiles. The Committee may allow, at its sole discretion, the Dwelling to be of two and one-half stories, provided that the additional level is not visible from the street. If a Dwelling is to be constructed upon a Lot along with portions of adjacent Lots, the Committee may waive the side lot line setback requirements as to the lot line which is crossed by such Dwelling.

B. **Accessory Buildings.** The Committee may also allow at its sole discretion, an accessory building ("Accessory Building") to be constructed on a Lot in addition to a Dwelling, provided the Accessory Building has a maximum height from the ground to the top of the roof lines of eight (8') feet and satisfies the requirements herein expressed for Accessory Buildings. Any Accessory Building shall adhere to building line requirements and shall be placed behind the primary dwelling on the Lot. Accessory Buildings shall also comply with the Building Materials provisions of this document. The construction of any Accessory Building upon a Lot may not

begin until the construction of the main dwelling unit upon the Lot has begun and in all circumstances, the main dwelling unit must be completed and a certificate of occupancy granted by the appropriate governmental agency prior to the substantial completion of any Accessory Building upon the Lot.

C. Prohibited Activities. Except as herein referred to, no activity, whether or not for profit, which is not related to single family residential purposes, shall be performed on any Lot. No noxious or offensive activity shall be permitted upon any Lot, nor shall anything be done on any Lot which may be or become an annoyance or nuisance to the neighborhood. No fireworks or firearms shall at any time be discharged in the Subdivision. As long as it owns any property in the Subdivision, the Declarant may maintain in or upon such portions of the property as the Declarant determines, such facilities as in its sole discretion may be necessary or convenient, including but not limited to, offices, sales offices, storage areas and signs. Under the provisions of this section, real estate offices, builders' sales offices, construction offices, builders' business offices, residential sales company offices and real estate brokers' offices are specifically prohibited without the express written consent of the Declarant.

As used herein, the term "single family residential purposes" shall be deemed to specifically prohibit, by way of illustration but without limitation, the use of any Lot for a duplex apartment, a garage apartment or any other apartment or for any multifamily use or for any business, educational, church, professional or other commercial activity of any type, except that an Owner may use his residence as a personal office for a profession or occupation, provided: (a) the public is not invited, permitted, or allowed to enter the dwelling unit or any structure or improvement upon such Lot and conduct business therein; (b) no signs advertising such profession or business are permitted; (c) no on-site employees are permitted; (d) no offensive activity or condition, noise, odor, or traffic (vehicular or pedestrian) is generated and (e) such use in all respects complies with the laws of the State of Texas, any applicable ordinances, and the laws, rules, and regulations of any regulatory body or governmental agency having authority and jurisdiction over such matters. For purposes of these restrictions, a single family residential purposes shall be defined as: (a) one or more persons related by blood, marriage, or adoption, which may include only parents, their children (including foster children and wards), their dependent brothers and sisters, their dependent parents, their dependent grandparents, and domestic servants; or (b) no more than two unrelated persons living together as a single housekeeping unit and their children (including foster children and wards), their dependent brothers or sisters, their dependent parents, their dependent grandparents, and their domestic servants. A person shall be deemed to be a dependent hereunder only if they are considered to be a dependent by the Internal Revenue Service, such that the person supporting the dependent person properly qualifies for an exemption with regard to federal income taxes, as a result of furnishing such support. It is not the intent of this Declaration to exclude from a dwelling unit any individual who is authorized to so remain by any state or federal law. If it is found that this definition, or any other provision in this Declaration, is in violation of any law, then this Section shall be interpreted to be as restrictive as possible to preserve as much of the original section as allowed by law.

D. Temporary Structures. Except as expressly provided in this Declaration, no structure of a temporary character, trailer, tent, shack, barn, garage or other out-building shall be used on any Lot at any time as a residence temporarily or permanently, nor shall any temporary

residence or other temporary structure be moved onto any Lot.

E. **Signage.** Signs of any kind shall not be displayed to the public view on any Lot except one (1) sign per Lot of not more than five (5) square feet advertising the property for sale or for rent and except signs used by the Declarant and by the original builders of any Dwelling to advertise the property during the construction and sales period. Declarant, its assigns, or the Association, will have the right to remove any such sign exceeding the five (5) square feet which is placed on any Lot and in so doing shall not be subject to any liability trespass or other tort in connection therewith or arising with such removal.

F. **Oil and Mining Activity.** Oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall not be permitted upon or in any Lot, nor shall any wells, tanks, tunnels, mineral excavations of shafts be permitted upon or in any Lot or Common Properties of the Subdivision. Derricks or other structures designed for use in boring for oil or natural gas shall not be erected, maintained or permitted upon any Lot or Common Properties of the Subdivision. With respect to all mineral interests in the land of which the subdivision is comprised, Declarant, for itself and its successors and assigns, hereby waives all surface rights.

G. **Mailboxes.** The Properties will be served by cluster boxes by the U.S. Post Office. Individually Lots may not have mailboxes.

H. **Exterior Lighting.** All exterior lighting on all houses and on all Lots shall be approved by the Committee.

I. **Sound Devices.** No external horns, whistles, bells, or other sound devices, except for security systems used exclusively to protect the dwelling unit, shall be placed or used on any Lot or improvements. This paragraph shall not preclude the use of outdoor speakers for hi-fis, stereos, or radios if the sound level is maintained at a reasonably low level with respect to adjoining property.

J. **Window Treatment.** No window in any dwelling unit or other improvement that is visible from any other Lot or a street may be covered with any aluminum foil or other reflective material. Window coverings must be installed pursuant to the Rules and Regulations or architectural guidelines.

K. **Air Conditioners.** No window, roof or wall-type air conditioner are allowed.

L. **Pools.** No above-ground swimming pools shall be erected, constructed or installed. In-ground swimming pools and landscaping must comply with the terms and provisions set forth in the Rules and Regulations or architectural guidelines.

M. **Tents, Mobile Homes and Temporary Structures.** Except as may be permitted by the Committee during initial construction within the Properties, no tent, shack, mobile home, or other structure of a temporary nature shall be placed upon a Lot or any part of the Properties. The foregoing prohibition shall not apply to restrict the construction or installation of a single utility or similar outbuilding to be permanently located on a Lot, provided it receives the prior

approval of the Committee, as appropriate, in accordance with Article III hereof. All permitted structures shall be properly maintained at all times and positioned on the Lot so as to not be visible from the fronting street and/or side street in the event of a corner Lot. Materials, color and design of all permitted structures must be the same as the primary dwelling. In addition, party tents or similar temporary structures may be erected for a limited period of time for special events with prior written approval of the Board.

N. Drainage and Septic Systems. Catch basins and drainage areas are for the purposes of natural flow of water only. No obstructions or debris shall be placed in these areas. Provided, however, the Declarant hereby reserves for itself and the Association a perpetual easement across the Properties for the purpose of altering drainage and water flow. No Owner or occupant shall dump grass clippings, leaves or other debris, petroleum products, fertilizers or other potentially hazardous or toxic substances, in any drainage ditch, storm sewer, sanitary sewer, stream, or pond within the Properties.

O. Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where it would create a traffic or sight problem.

P. Artificial Vegetation, Exterior Sculpture and Similar Items. No artificial vegetation, including but not limited to plastic plants or other artificial or simulated plants, shall be permitted on the exterior of any portion of the Properties. No exterior sculpture, fountains, birdhouses, birdbaths, other decorative embellishments or similar items shall be permitted unless approved in accordance the Rules and Regulations or architectural guidelines.

Q. Playgrounds and Decks. No decks, wooden or otherwise, jungle gyms, swing sets or similar playground equipment shall be erected or installed on any Lot without prior written approval of the Committee in accordance with Article III hereof. These items shall be positioned on the Lot so as not to be visible from any street. Any playground or other play areas or equipment furnished by the Association or erected within the Properties shall be used at the risk of the user, and the Association shall not be held liable to any person for any claim, damage, or injury occurring thereon or related to use thereof. Decks, jungle gyms, swing sets or similar playground equipment must be placed on the rear of the Lot no closer than five (5) feet to the side and fourteen (14) feet to the rear lot lines unless stated otherwise herein.

R. Walls, Fences and Hedges. Prior to the completion of a dwelling unit upon the Lot, the Lot must be fenced pursuant to the standards and specifications set forth in the Rules and Regulations or architectural guidelines. No hedge in excess of three feet (3') in height shall be erected or maintained nearer to the front Lot line than the building set-back line. Unless approved by the Committee, no chain link, chicken wire, or other wire fence will be permitted on any Lot. No fence or wall shall be erected on any Lot nearer to the street than the building setback lines as shown on the Subdivision Plat. The Committee has the right to deviate any height restriction and its approval for the style and materials to be used based on the location within the Properties. It is the intent to maintain visual continuity especially along entryways and/or main thoroughfares and/or adjacent to common area properties. Title to any wall or fence shall pass ownership with title to the Lot and it shall be the Owner's responsibility to maintain said wall or fence thereafter

in the manner prescribed by the Association. Notwithstanding the forgoing, walls attached to the dwelling unit (commonly known as "wing walls") are allowed with prior written approval of the Committee.

S. **Exterior Paint.** The exterior surfaces of buildings, fences or walls located in the Properties shall not be painted or stained unless the Committee gives its prior written approval of the color of paint or stain to be used; such approval is required even when painting with the existing color. The purpose of this covenant is to maintain harmony of the exterior paint colors of the buildings throughout the Properties. Iridescent colors or tones considered to be brilliant are not permitted. Accordingly, the Committee shall not be obligated to approve any color of exterior paint that is different from the original paint applied to the exterior of the buildings. Any perimeter fence or wall shall be maintained in its natural state.

T. **Minimum Lot Areas.** No Lot shall be re-subdivided or replatted without the prior approval of the Board.

U. **Composite Building Site.** Any Owner of one (1) or more adjoining Lots (or portions thereof) may, with prior written approval of the Board, consolidate such Lots or portions into one (1) building site, with the privilege of placing or constructing improvements on such resulting composite site, in which case the side set-back lines along the common lot lines shall be eliminated and said set-back lines shall thereupon be measured from the resulting side property lines rather than from the center adjacent Lot lines as indicated on the Subdivision Plat. Further, any utility easements along said common lot lines shall be eliminated and abandoned upon approval of a composite building site, provided such easements are not then being used for utility purposes. Any such composite building site, must have a front building set-back line of not less than the minimum front building setback line of all Lots in the same block. For purposes of the Assessments set forth in Article VI hereof, such composite building site will be assessed by the number of Lots contained within such composite building site.

V. **Development Period.** During the Development Period and notwithstanding anything contained herein to the contrary, Declarant and builders authorized by Declarant may construct and maintain upon portions of the Common Properties and other property they own, such facilities, activities, and things as, in Declarant's sole opinion, may be reasonably required, convenient, or incidental to the construction or sale of homes on the Lots. Such permitted facilities, activities, and things shall include business offices, signs, flags (whether hung from flag poles or attached to a structure), model homes, sales offices, holding or sponsoring special events, and exterior lighting features or displays. In addition, if reasonably required, convenient, or incidental to construction or sales activities, Declarant and builders authorized by Declarant may park vehicles in areas other than garages or driveways, including on streets. The rights of builders authorized by Declarant under this Section are subject to Declarant's approval. Declarant and builders authorized by Declarant shall have easements for access to and use of such facilities at no charge. Sales offices authorized pursuant to this Section shall comply with the standards imposed by the Declarant.

Furthermore, during the Development Period, no rule, regulation or restriction shall be enacted or implemented by the Association or the Board which would limit or otherwise restrict routine home construction.

W. Occupants Bound. All provisions of the Declaration, Bylaws of the Association (“Bylaws”) and of any Rules and Regulations or other guidelines or restrictions promulgated by the Board which govern the conduct of Owners shall also apply to all occupants, guests and invitees of any Lot. Written notice of the Assessment shall be sent to every Owner subject thereto at the address of each Lot or at such other address provided to the Association in writing from the Owner. The Assessment shall be considered delinquent if not received by January 31 of the year for which the Assessment pertains.

Those Lots which are not and have not been occupied, and which are owned by a builder or by the Owner who built (or causes to be built) the dwelling unit on the Lot shall pay Assessments and Special Assessments provided as herein, equal to one-half (1/2) of the full Assessments or Special Assessments charged to other Owners. Lots which are owned by the Declarant or any entity affiliated with the Declarant shall not be subject to any assessment (Assessments, Charges or other) hereunder whatsoever. The rate of assessment for each Lot shall change as the character of ownership and/or the status of occupancy changes. The applicable Assessment and Special Assessment for each Lot shall be prorated for each calendar year according to the purchase date and rate applicable for each type of ownership of the Lot during that calendar year.

The maximum Assessment for calendar year 2020 shall be in the amount of \$350.00 per Lot. Beginning with the Assessment for calendar year 2021, the maximum Annual Assessment may be increased once a year by the Board, by an amount not to exceed ten percent (10%) over the prior year's Assessment. In the event the Association becomes indebted to the Declarant in any manner, the Board will be required to assess the Owners the maximum assessment provided

for in this Section each year to provide for the repayment to the Declarant until the Declarant has been paid in full.

The Assessment may be increased above that allowed by this Section if, and only if, the increase is approved by the affirmative vote of two-thirds (2/3) of the total eligible votes of the Association present, in person or by proxy, at a meeting duly called for that purpose. Voting may also be handled by mail ballot as long as the ballots contain the name, property address, and certification by the Secretary of the Association, alternate address of the Member, if applicable, and the date and signature of the Member. Ballots may be returned by U.S. mail or may be collected by door-to-door canvas.

Upon the increase of the maximum Assessment pursuant to the provisions of this Section, the Association shall cause to be recorded in the Office of the County Clerk of Brazos County, Texas, a sworn affidavit of the President (or any Vice President) and of the Secretary of the Association which shall certify, among other items that may be appropriate, the total number of eligible votes as of the date of the voting, the quorum required, the number of votes represented, the number of votes voting "for" and "against" the levy, the amount of the increased Assessment so authorized, and the date by which the increased Assessment must be paid to avoid being delinquent. The increase in the maximum Assessment so approved shall become effective on the date specified in the document evidencing such approval, and shall be filed for record in the Office of the County Clerk of Brazos County, Texas.

B. Special Assessments

In addition to the Assessment, the Board may, upon the affirmative vote of two-thirds (2/3) of the total eligible votes of the Association present, in person or by proxy, at a meeting duly called for this purpose, levy a Special Assessment (herein so called) for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Properties, including fixtures and personal property related thereto. Voting may also be handled by mail ballot as long as the ballots contain the name, property address, certification by the Secretary of the Association, alternate address of the Member, if applicable, and the date and signature of the Member. Ballots may be returned by U. S. First Class Mail, or may be collected by door-to-door canvas. Upon the levying of any special assessment pursuant to the provisions of this Section, the Association shall cause to be recorded in the Office of the County Clerk of Brazos County, Texas, a sworn affidavit of the President or any Vice President and of the Secretary of the Association which shall certify, among other items that may be appropriate, the total number of eligible votes of the Association as of the date of the voting, the quorum required, the number of votes voting "For" and "Against" the special assessment, the amount of the special assessment authorized, and the date by which the special assessment must be paid in order to avoid being delinquent.

The relevant provisions of the Bylaws dealing with regular or special meetings, as the case may be, shall apply to determine the time required for and proper form of notice of any meeting for the purposes set forth in this Section, and to ascertain the presence of a quorum at such meeting.

C. Capitalization Fees

Each Owner of a Lot, other than Declarant or any entity affiliated with the Declarant, at the time it purchases a Lot from the previous Owner (i.e. the purchasing Owner at every sale beginning with the first Owner [including unaffiliated builders] to purchase the Lot from the Declarant), shall be obligated to make a contribution to the Association, which funds shall be used to defray operating costs and other expenses of the Association, including but not limited to and possible funding of reserves, as the Board shall determine in its sole discretion, in the amount of up to fifty (50%) percent of the then current amount of the Assessment assessed to an Owner of a Lot other than Declarant, a builder or the Owner who built (or causes to be built) the dwelling unit on a Lot ("Capitalization Fee").

D. Enforcement

The Association, its successors or assigns, without liability to the Owner or occupant in trespass or otherwise, may, after ten (10) days' written notice to the Owner or occupant and failure of the Owner or occupant to comply with the terms of such notice, enter upon such Lot or Lots and do or cause to be done such actions that will bring the Lot and improvements thereon into compliance with these restrictions. The cost of carrying out such actions shall be billed to the Lot Owner by the Association by placing such bill in the United States mail, postage paid. Any Assessments and Charges which are not paid when due shall be delinquent. If the Assessment or Charges are not paid within thirty (30) days after the due date, the Assessment or charge shall bear interest from the date of delinquency at a rate which shall be the lesser of fifteen percent (15%) per annum or the maximum non-usurious rate per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against such Lot, regardless of whether or not there is personal liability of the current Owner, and interest, costs and reasonable attorneys' fees of any such action shall be added to the amount of such Assessment or Charges. Each such Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the Association, or its agents, the right and power to bring all actions against such owner personally for the collection of such Assessment or Charges as a debt and to foreclose the aforesaid lien by all methods available for the enforcement of liens against real property, including foreclosure by judicial action brought in the name of the Association and by a non-judicial action in a like manner as a deed of trust lien on real property and subject to Chapter 209 of the Texas Property Code (as same may be amended or revised from time to time), and such Owner hereby expressly grants to the Association an extra-judicial power of sale in connection with the non-judicial foreclosure of such lien.

In addition to and in connection therewith, by acceptance of the deed to a Lot, each Owner expressly GRANTS, BARGAINS, SELLS and CONVEYS to the President and/or Vice President or agent of the Association from time to time serving, as Trustee (and to any substitute or successor trustee as hereinafter provided for) such Owner's Lot, and all rights appurtenant thereto, in trust, for the purpose of securing the Assessments and Charges levied hereunder, and other sums due hereunder remaining unpaid hereunder from time to time. The Trustee herein designated may be changed for any reason and at any time and from time to time by execution of an instrument in writing signed by the President or a Vice-President of the Association and filed in the Real Property Records of Brazos County, Texas. In the event of the election by the Board to foreclose the lien

herein provided for non-payment of sums secured by such lien, then it shall be the duty of the Trustee, or his successor, as hereinabove provided, at the request of the Board (which request shall be presumed) to enforce this trust and to sell such request Lot, and all rights appurtenant thereto in accordance with Sections 209 and 51.002 of the Texas Property Code (as said statute shall read at the time of enforcement) and to make due conveyance to purchaser or purchasers by deed binding upon the Owner or Owners of such Lot and his heirs, executors, administrators and successors. The Trustee shall give notice of such proposed sale as required by Sections 209 and 51.002 of the Texas Property Code (as said statute shall read at the time notice is given).

At any foreclosure, judicial or nonjudicial, the Association shall be entitled to bid up to the amount of the sum secured by its lien, together with costs and attorney's fees, and to apply as a cash credit against its bid all sums due to the Association covered by the lien foreclosed. From and after any such foreclosure the occupants of such Lot shall be required to pay a reasonable rent for the use of such Lot and such occupancy shall constitute a tenancy-at-sufferance, and the purchaser at such foreclosure sale shall be entitled to the appointment of a receiver to collect such rents and further, shall be entitled to sue for recovery of possession of such Lot by forcible detainer without further notice.

All portions of the Properties dedicated to, and accepted by, a local public authority exempt from taxation by the laws of the State of Texas, and all Common Properties shall be exempt from the Assessments and other charges created herein. Notwithstanding the foregoing, no Lot which is used, or is intended for use, as a residence shall be exempt from Assessments and charges and the lien herein securing-payment thereof.

The Assessments and Charges shall be payable in the amounts specified in the levy thereof, and no offsets or reduction thereof shall be permitted for any reason including, without limitation, (a) any claim that the Association or the Board is not properly exercising its duties and powers under this Declaration, (b) any claim by the Owner of non-use of the Common Properties or abandonment of his Lot, (c) any claim by the Owner of inconvenience or discomfort arising from the making of repairs or Improvements to the Common Properties, or (d) any claim by the Owner of inconvenience or discomfort arising from any action taken to comply with any law or any determination of the Board or for any other reason.

The lien provided for herein shall be subordinate to any first lien purchase money mortgages (and refinancing of same) relating to the Lots or liens relating to construction upon the Lots; provided, however, that such subordination shall apply only to assessments which have become due and payable prior to a sale or transfer of such Lot pursuant to a decree of foreclosure or a foreclosure by trustee's sale under a deed of trust or a foreclosure of the assessment lien retained and reserved herein. Sale or transfer of any Lot shall not affect the lien; however, the sale or transfer of any Lot pursuant to the foreclosure of a first lien purchase money mortgage (and any refinancing of same) or any proceeding in lieu thereof, shall extinguish the lien herein as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for the Assessments and Charges thereafter becoming due or from the lien thereof. A selling Owner of a Lot shall not be relieved of personal liability for any Assessments and Charges accruing on such Lot prior to the date of sale or transfer.

E. Expenditures

The maintenance fund shall be applied, insofar as it may be sufficient (with priority given to maintenance of the reserves, esplanades, recreational facilities, common open areas, and aesthetic features located within county right-of-way), toward the payment for maintenance of permanent access easements, if any, parkways, cul-de-sacs, esplanades, detention ponds and areas, vacant Lots, lighting, fogging, employing of courtesy patrols, policemen and workmen, enforcement of these restrictions, and any other things necessary or desirable in the opinion of the Association to maintain or improve the property or which it considers to be of general benefit to the Owners or occupants of the property covered by these restrictions, it being understood that the judgment of the Association in the expenditure of said fund shall be final as long as said judgment is exercised in good faith.

**ARTICLE VII
THE ASSOCIATION**

A. Membership

Every person or entity who is a record owner of any Lot of Lots (an "Owner") shall be a member of the Association (a "Member"). No Owner shall have more than one membership. Membership shall be appurtenant to and may not be separated from ownership of a Lot.

Other lands may hereafter be annexed into the jurisdiction of the Association in the manner herein described. If annexed, the Owners of Lots in each future section so annexed, as well as all Owners subject to the jurisdiction of the Association, shall be entitled to the use and benefit of all Common Properties that may become subject to the jurisdiction of the Association as a result of such annexation, and the facilities thereon, and shall be entitled to the use and benefit of the maintenance fund, hereinabove set forth, provided that each Lot in any future section shall be impressed with and subject to Assessments and Charges imposed hereby. Such additional stage of development may be annexed in accordance with the provisions of Article XI, upon a merger or consolidation of the Association with another association. The Common Properties may be transferred to a surviving association, or alternatively, the properties, rights, and obligations of another association may be consolidated with those of the association pursuant to a merger. The surviving or consolidated association shall administer the restrictions established by this Declaration, together with the covenants, conditions and restrictions applicable to the properties of the other association as one scheme. No such merger or consolidation, however, shall effect any revocation, change or addition to the covenants established by this Declaration, except as agreed to by an eighty percent (80%) vote of the Owners of the Association.

B. Voting Class

The Association shall have two (2) classes of voting membership:

(1) Class A Membership. Class A Members shall be all Owners, except Declarant, and each shall be entitled to one (1) vote for each Lot. When more than one person holds an interest in any Lot, all such persons shall be Members and the vote of such Lot shall be exercised as they

among themselves determine, but in no event shall more than one vote be cast with respect to any one Lot.

(2) Class B Membership. Class B Members shall be the Declarant who shall be entitled to five hundred (500) votes so long as Declarant owns at least one (1) Lot.

(3) Class B membership shall cease and be converted to Class A membership upon the termination of the Development Period or such earlier date as determined by the Declarant, in its sole discretion, in a written instrument signed by the Declarant and recorded in the Official Public Records of Brazos County, Texas.

(4) Notwithstanding the prior provisions of this Section B above, if additional property is made subject to the jurisdiction of the Association pursuant to a Supplemental Declaration, such that Declarant owns more than five percent (5%) of the total of all Lots, then paragraphs B(2) and B(3) above shall be automatically reinstated ipso facto.

C. Authority

The Association may make whatever rules or by-laws it may choose to govern the organization, provided that same are not in conflict with the terms and provisions hereof.

Subject to the provisions below, every Member shall have a common right and easement of use and enjoyment in the Common Properties for the purposes for which the Common Properties are created, and such right and easements shall be appurtenant to and shall pass with the title to every Lot.

The rights and easements of enjoyment created hereby in favor of the Members shall be subject to the rights and easements now existing or hereafter created in favor of Declarant or others as referred to or provided for in this Declaration, and shall also be subject to the following provisions:

(1) The Board shall have the right to borrow money to mortgage the Common Properties.

(2) The Board shall have the right to take such steps as are reasonably necessary to protect the Common Properties against foreclosure of any such mortgage.

(3) The Board shall have the right to suspend the enjoyment rights of any member for any period during which any Assessment or other amount owed by such Member to the Association remains unpaid.

(4) The Board shall have the right to limit the number of guest who may use the Common Properties and to establish reasonable Rules and Regulations governing the Members' use and enjoyment of the Common Properties, and to suspend the enjoyment rights of any member for any period not to exceed sixty (60) days for any infraction of such Rules and Regulations. Accordingly, the Association shall assume responsibility for making and enforcing rules for the

use of limited access gates and the swimming and tennis facilities, if any.

(5) The Board shall have the right to assess and collect the assessments provided for herein and to charge reasonable admission and other fees established by the Association for the use of any facilities which are a part of the Common Properties.

(6) The Board shall have the right to dedicate or convey all or any part of the Common Properties to any public authority for such purposes and subject to such conditions as may be agreed to by the Board.

(7) The Board shall have the right to impose reasonable membership requirements and charge reasonable admission or other fees (which fees shall be separate from Assessments) for the use of any recreational facility situated upon the Common Properties;

(8) The Board shall have the right to permit nonmember use of any recreational facility situated on the Common Properties upon payment of user fees established by the Board;

D. Indemnification

The Association and Owners each covenant and agree, jointly and severally, to indemnify, defend and hold harmless Declarant, the Association, their respective officers, directors, parent and/or subsidiary entities, partner(s) and any related persons or corporations, and their employees, professionals and agents from and against any and all claims, suits, actions, causes of action or damages arising from any personal injury, loss of life, or damage to property, sustained on or about the Common Properties or other property serving the Association and improvements thereon, or resulting from or arising out of activities or operations of Declarant or of the Association, or of the Owners, and from and against all costs, expenses, court costs, counsel fees (including, but not limited to, expenses, court costs, counsel fees (including, but not limited to, all trial and appellate levels and whether or not suit be instituted), expenses and liabilities incurred or arising from any such claim, the investigation thereof, or the defense of any action or proceedings brought thereon, and from and against any orders, judgments or decrees which may be entered relating thereto. The costs and expense of fulfilling this covenant of indemnification shall be considered operating costs of the Association to the extent such matters are not covered by insurance maintained by the Association. IT IS EXPRESSLY ACKNOWLEDGED THAT THE INDEMNIFICATION IN THIS SECTION PROTECTS DECLARANT AND THE ASSOCIATION (AND ANY PARENT OR SUBSIDIARY OR RELATED ENTITY OF ANY OF THEM) FROM THE CONSEQUENCES OF THEIR RESPECTIVE ACTS OR OMISSIONS, INCLUDING WITHOUT LIMITATION, DECLARANT'S AND/OR THE ASSOCIATION'S NEGLIGENT ACTS OR OMISSIONS, TO THE FULLEST EXTENT ALLOWED BY LAW.

E. Limitation on Liability

The officers of the Association and Board members shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or Board members may also be Members of the Association). Further, a member of the Board shall not be liable to the Association, any

Member, or any other person for any action taken or not taken as a member of the Board if he acts in good faith, with the care an ordinary prudent person in a like position would exercise under similar circumstances, and in a manner he reasonably believes to be in the best interests of the Association. The officers of the Association and the members of the Board shall also be entitled to the benefit of any provision limiting their liability provided by the Bylaws and the Texas Business Organizations Code.

F. Reimbursement of Declarant

Recognizing that the Association may have to be subsidized by Declarant, the Board (whether the Board is the same as Declarant, his agents, servants, or employees and without being liable for any claim made by any Member of the Association that the Board's fiduciary duty to the other Members of the Association has been breached due to a conflict of interest) may reimburse Declarant, execute promissory notes and/or other instruments evidencing any debt the Association owes the Declarant for monies expended by the Declarant or loaned to the Association by Declarant for and on behalf of the Association; provided, however, such promissory notes shall not be secured by a lien on any of the Common Properties conveyed by Declarant to the Association.

G. Power to Grant Easements

Declarant, while Declarant owns the Common Properties and thereafter the Association, shall have the power to grant access, utility, drainage, water, facility, cable television, and other easements, in, on, over, or under the Common Properties.

H. Inspection of Records

The Members shall have the right to inspect the books and records of the Association at reasonable times during normal business hours pursuant to such rules or guidelines promulgated by the Declarant or the Board from time to time.

I. Additional Powers of the Association

The Association, acting through the Board, shall be entitled to enter into such contracts and agreements concerning the Properties as the Board deems reasonably necessary or appropriate to maintain and operate the Properties in accordance with the Declaration, including without limitation, the right to enter into agreements with adjoining or nearby land owners or governmental entities on matters of maintenance, trash pick-up, repair, administration, security, traffic, operation of recreational facilities, or other matters of mutual interest. The Declarant and the Association, acting through its Board of Directors, shall each also have the power to make and to enforce Rules and Regulations governing the use of the Properties, in addition to those contained herein. The Rules and Regulations shall be binding upon all Owners, occupants, invitees and licensees, if any.

ARTICLE VIII ENFORCEMENT

The covenants, reservations, easements and restrictions set out herein are for the benefit of the undersigned, its successors and assigns, and equally for the benefit of the Association and of any subsequent Owner of a Lot or Lots in the Subdivision, and their heirs, executors, administrators and assigns. Accordingly, all of the covenants, reservations, easements and restrictions contained herein shall be construed to be covenants running with the land, enforceable at law or in equity, by any one or more of said parties. Without limiting the generality of the foregoing, the Association shall have the power to enforce the provisions of this Declaration, the Rules and Regulations, architectural guidelines and other Association governing documents by any one or more of the following means: (a) by entry upon any Lot within the Properties after notice (unless a bona fide emergency exists in which event this right of entry may be exercised without notice [written or oral] to the Owner, but in such manner as to avoid any unreasonable or unnecessary interference with the lawful possession, use, or enjoyment of the improvements situated thereon by the Owner or any other person), without liability by the Association to the Owner, tenant, or guest thereof, for the purpose of enforcement of this Declaration, the Rules and Regulations, architectural guidelines and other Association governing documents; (b) by commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach of the provisions of this Declaration, the Rules and Regulations, architectural guidelines and other Association governing documents by mandatory injunction or otherwise; (c) by commencing and maintaining actions and suits to recover damages for breach of any of the provisions of this Declaration, the Rules and Regulations, architectural guidelines and other Association governing documents; (d) by exclusion, after notice, of any Owner or Owner's family, guests, or tenants from use of any recreational facilities in the Common Properties during and for up to sixty (60) days following any breach of this Declaration, Rules and Regulations, architectural guidelines and other Association governing documents by such Owner or Owner's family, guests, or tenants, unless the breach is a continuing breach in which case, such exclusion shall continue for so long as such breach continues; (e) by levying and collecting, after notice, reasonable and uniformly applied fines and penalties, established in advance in the Rules and Regulations, from any Owner or Owner's family, guests, or tenants, for breach of this Declaration, the Rules and Regulations, architectural guidelines and other Association governing documents by such Member or Member's family, guests, or tenants. In the event any action to enforce the provisions of this Declaration, the Rules and Regulations, architectural guidelines and other Association governing documents is initiated by the Association against an Owner or occupant of a Lot, or any action is initiated by the Association to enjoin or restrain any breach or threatened breach of this Declaration, the Rules and Regulations, architectural guidelines and other Association governing documents, the Association shall be entitled to recover reasonable attorneys' fees, costs, expenses and charges from the Owner or occupant of a Lot who violated this Declaration, the Rules and Regulations, architectural guidelines and other Association governing documents or for whom such restraint or injunctive relief is sought. Any such attorneys' fees, costs, expenses and charges shall become a part of the Charge and payable by said Owner and payment thereof shall be secured by the lien created pursuant to this Declaration.

**ARTICLE IX
SEVERABILITY**

The invalidity, abandonment or waiver of any one of these covenants, reservations, easements or restrictions shall in no way affect or impair the other covenants, reservations, easements and restrictions, which shall remain in full force and effect.

**ARTICLE X
AMENDMENT TO THIS DECLARATION**

The covenants and restrictions of this Declaration shall run with and bind the land for a term of forty (40) years from the date that this Declaration is recorded in the Real Property Records of Brazos County, Texas, after which time they shall automatically be extended for successive periods of ten (10) years. This Declaration may be amended by the Owners during the first twenty (20) year period by a vote of sixty-seven (67%) percent of the total votes allocated to Owners in the Association. However, until the expiration of the Development Period, the prior written approval of the Declarant is required to amend this Declaration. The Declarant, its successors and assigns, may, from time to time and during the Development Period, amend these covenants and restrictions in its sole and absolute discretion and without the Association's or Owner's approval. Any amendment must be recorded in the Office of the County Clerk of Brazos County, Texas.

**ARTICLE XI
ADJACENT PROPERTY**

The Subdivision may become a part of a larger tract or block of land owned by Declarant. While Declarant may subdivide other portions of its property, or may subject the same to a declaration such as this Declaration, Declarant shall have no obligation to do so, and if Declarant elects to do so, any subdivision plat or declaration executed by Declarant with respect to any of its other property may be the same as or similar or dissimilar to any Subdivision Plat covering the Subdivision, or any part thereof, or to this Declaration as Declarant shall, in its sole discretion, desire. During the Development Period, any such additional subdivided property or properties may be annexed into the jurisdiction of the Association at the sole and absolute election of the Declarant. Any such annexed property or properties shall be subject to a declaration providing for a uniform rate of Assessments with the Lots covered by this Declaration and with such other reservations, restrictions, covenants, and easements as shall be compatible with such matters as set forth herein.

**ARTICLE XII
NO PARTITION**

Except as is permitted in the Declaration or any supplemental declaration, there shall be no judicial partition of the Common Properties or any part thereof, unless approved in writing by the Declarant, nor shall any person acquiring any interest in the Properties or any part thereof seek any judicial partition unless approved in writing by the Declarant. This Article shall not be construed to prohibit the Board from acquiring and disposing of tangible personal property nor from acquiring title to real property which may or may not be subject to this Declaration.

**ARTICLE XIII
MISCELLANEOUS**

A. Security

The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. NEITHER THE ASSOCIATION, ITS DIRECTORS, OFFICERS, AND AGENTS, THE DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL IN ANY WAY BE CONSIDERED INSURERS OR GUARANTORS OF SECURITY WITHIN THE PROPERTIES. NEITHER THE ASSOCIATION, THE DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. ALL OWNERS AND OCCUPANTS OF ANY LOT, TENANTS, GUESTS, AND INVITEES OF ANY OWNER, AS APPLICABLE, ACKNOWLEDGE THAT THE ASSOCIATION AND ITS BOARD OF DIRECTORS, ITS AGENTS, DECLARANT, OR ANY SUCCESSOR DECLARANT AND THE COMMITTEE DO NOT REPRESENT OR WARRANT THAT ANY FIRE PROTECTION SYSTEM, BURGLAR ALARM SYSTEM OR OTHER SECURITY SYSTEM DESIGNATED BY OR INSTALLED ACCORDING TO GUIDELINES ESTABLISHED BY DECLARANT OR THE COMMITTEE MAY NOT BE COMPROMISED OR CIRCUMVENTED, THAT ANY FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL PREVENT LOSS BY FIRE, SMOKE, BURGLARY, THEFT, HOLD-UP, OR OTHERWISE, NOR THAT FIRE PROTECTION OR BURGLARS ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR INTENDED, EACH OWNER AND OCCUPANT OF ANY LOT, AND EACH TENANT, GUEST AND INVITEE OF AN OWNER, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT THE ASSOCIATION, ITS BOARD OF DIRECTORS, ITS DIRECTORS, OFFICERS AND AGENTS AND COMMITTEES, DECLARANT, OR ANY SUCCESSOR DECLARANT ARE NOT INSURERS AND THAT EACH OWNER AND OCCUPANT OF ANY DWELLING UNIT AND EACH TENANT, GUEST, AND INVITEE OF ANY OWNER ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO LOTS, AND TO THE CONTENTS OF LOTS, AND FURTHER ACKNOWLEDGES THAT THE ASSOCIATION, ITS BOARD OF DIRECTORS, ITS DIRECTORS, OFFICERS AND AGENTS AND COMMITTEES, DECLARANT, OR ANY SUCCESSOR DECLARANT HAVE MADE NO REPRESENTATIONS OR WARRANTIES NOR HAS ANY OWNER, OCCUPANT, TENANT, GUEST OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY FIRE AND/OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS RECOMMENDED OR INSTALLED OR ANY SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTIES.

B. Additional Restrictions

No Person shall record any covenants, conditions, and restrictions, or declaration of condominium or similar instrument affecting any portion of the Properties without Declarant's review and written consent thereto, and any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions, and restrictions, or declaration of condominium or similar instrument being void and of no force and effect unless subsequently approved by recorded consent signed by Declarant.

C. Delay in Enforcement

No delay in enforcing the provisions of this Declaration with respect to any breach or violation thereof shall impair, damage or waive the right of any party entitled to enforce the same to obtain relief against or recover for the continuation or repetition of such breach or violation or any similar breach or violation thereof at any later time.

D. Violations of Law

Any violation of any federal, state, municipal, or local law, ordinance, rule, or regulation, pertaining to the ownership, occupation, or use of any Lot hereby is declared to be a violation of this Declaration and shall be subject to any and all of the enforcement procedures set forth in this Declaration.

E. Governing Law and Notice.

This Declaration shall be construed and governed under the laws of the State of Texas. Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postage pre-paid, to the last known address of the person who appears as Owner on the records of the Association at the time of such mailing.

F. Management Office.

Notwithstanding anything contained in this Declaration to the contrary, the Association or its management company may, with the Board's approval, maintain an office upon the Common Properties associated with the management of the Association.

G. Lawsuits Against Declarant.

All Owners hereby acknowledge and agree that the Association shall not be entitled to institute any legal action on behalf of any or all of the Owners which is based on any alleged defect in the Common Properties, Common Facilities, or any damage allegedly sustained by any Owner by reason thereof, but rather, all such actions shall be instituted by the person(s) served by such Common Properties, Common Facilities, or allegedly sustaining such damage.
