Fire Code Inspections 281-436-8000

Authorized work must start before expiration date. This permit and inspection record on site must be posted on site. A copy approved plans must be kept on site. The County Engineer may make scheduled or unscheduled inspections. Permittee is responsible to request inspections required by this permit. Noncompliance to Harris County regulations may result in suspension or revocation of this permit. Revisions to approved plans will require review, approval and recordation. Fees for this permit are non-refundable and non-transferable. The granting of this permit does not imply this development can be insured by the National Flood Insurance Administration or that it will be free from flooding. By issuing this permit Harris County does not authorize, and is it not responsible for any violation of or non-compliance with deed restrictions or covenants applicable to this site

1

Obtaining Permanent Power

- Obtain a Harris County Development Permit (**temporary & permanent power releases are sent automatically the next business day after permits are issued**)
- If any of the following item(s) are outstanding, you are **NOT eligible for permanent power**:
 - Violations
 - Inspections (not to include 3rd party inspections, driveways & signs)
 - Unpaid Stormwater Quality Inspection Fees

2

Call CenterPoint Energy

- **If you are a homeowner:** Call CenterPoint Energy at 713-207-2222 to have an *Electric Service Identifier(ESI ID)** number created.
- **If you are a home builder/contractor:** Visit Centerpoint [website](#) to submit your request for an ESI ID number.
- The 22-digit ESI ID number serves to identify the service location for a specific address. It also identifies the meter where electric usage will be tracked. **NOTE:** The ESI ID number is **NOT** an account number.
- **Permanent Electrical Meters and Temporary Electrical Meters each have a different ESI ID**

3

Choose a Retail Electric Provider

- Once you have your ESI ID number, allow 2 business days before contacting the Retail Electric Provider of your choice.
- For a list of Retail Providers, visit www.powertochoose.org
- Contact the Retail Electric Provider and complete an application to have electric service turned on.

4

What's next?

- The Retail Electric Provider will send the start service order to CenterPoint Energy.
- If the order is rejected due to lack of a permit from Harris County:
 - Refer to Step 1
 - Verify the meter address matches the permitted address. To update the permit address contact (713) 274-3756
- All power releases sent to Centerpoint are valid for **1 year** from the date the permit is issued.
- If your Retail Electric Provider service order is older than **20 days** a new order will need to be submitted.

5

The Start Service Order is Received by CenterPoint Energy.

- Meters are usually installed within 3 business days of the requested start date, weather and workload permitting.
