## Creative Management Company, Inc. Lender's Frequently Asked Questions

### Master Property Insurance

#### Does this master policy insure multiple unaffiliated projects?

Yes, as noted on the Certificate of Property Insurance.

#### What are unaffiliated projects?

Per Fannie Mae, Affiliated projects are under the same Master Association or share the use of common facilities that are either owned individually or as part of a Master Association or development. Condominium projects that do not have one of these characteristics, and are managed by the same management company, are considered unaffiliated projects.

#### What is the Maximum Limit applicable for all Associations combined under the Master policy in a single Occurrence or Event?

Refer to the Certificate of Property Insurance.

#### Does each Association have a dedicated limit?

No, the limit of insurance is shared by all Associations included under the policy.

#### Will you provide a Statement of Values including all Association's names and property values insured under the Master policy?

No, privacy laws prohibit the sharing of information and data to unrelated third parties.

#### What are the Total Values on the Statement of Values?

\$423,465,591 as of July 1, 2023.

#### How many Associations are insured under this Master policy?

24

#### Is the Property Manager a named insured?

Yes, the Property Manager is the first named insured and the Association is an additional named insured. The Association is deemed to have insurability on the master policy while under contract with the management company.

### **Are there any other Associations “pooled” in the Master policy and do they share common areas?**

Yes, there are multiple Associations covered under the policy(ies) presented on the Certificate of Property insurance. No, they do not share common areas.

### **Will you provide copies of all the “layered” policies?**

The coverage provided on “layered” policies follow the primary policy. The policy information for the property layers is disclosed on the Certificate of Property Insurance. Copies of these policies will be provided at your request; however, an administrative processing fee will be charged.

## **General Property**

### **Does the property coverage provide Guaranteed Replacement Cost, Extended Replacement Coverage or 100% of Replacement Cost?**

The Association's limit of insurance is the amount purchased subject any policy maximums. The coverage is written on a replacement cost valuation basis and coinsurance is waived. As for the limits of insurance, the Association reviews annually and may request an increase at any time. We encourage all Associations to insure to the full replacement cost and obtain Independent Studies to determine the correct amount. We **do not** confirm or deny the current limit of insurance is representative of the full replacement cost of any property. We **do not** provide proof of Guaranteed Replacement, 100% Replacement Cost or Full Replacement Cost Value.

### **How is the building valuation established and will you provide a copy of replacement cost estimate.**

Replacement cost estimates are not part of the insurance policy nor do we provide. Building valuation is determined by the Association. You may want to ask them if they have an Independent Study. We **do not** provide Replacement Cost Estimators.

### **Is Building Ordinance or Law Included?**

Yes, refer to Certificate of Property Insurance.

### **Does the policy have a minimum of 10-day notice of Cancellation?**

Yes, to the first named insured.

### **Does the policy include HO-6 coverage?**

HO-6 is a form of personal lines insurance coverage. It is designed to cover the unit owners' personal belongings, liability and in part refers to the interior surfaces of the unit. The Association purchases a commercial property insurance policy for their obligation under their Governing Legal Documents and/or as required by the Texas Uniform Condominium Act (TUCA).

### **What is the Texas Uniform Condominium Act (TUCA)?**

This is a section of the Texas Property Code that creates minimum requirements and definitions required for Condominium Associations in the State of Texas.

### **Does the property policy include “walls in” coverage?**

Walls in” is not official insurance terminology; therefore, it is not found in the insurance policy/contract. The Association purchases a commercial property policy for their obligation under the Governing Legal Documents and/or, as required by TUCA. **Refer to the Governing Legal Documents to determine if the Association has assumed the responsibility to insure the interior of the units.**

### **Does the Agency interpret the Associations’ legal documents to determine if they are responsible to cover the units’ interior surfaces?**

No, Association legal documents require an Attorney’s interpretation.

### **Is Inflation Guard included or offered?**

No. The policy **does not** provide inflation guard coverage as it is not available.

### **Are there any exclusions or sub-limits to hazard, wind or named storm perils?**

Refer to the Certificate of Property Insurance.

### **Does the policy contain a Waiver of Right of Subrogation against unit owners?**

Yes.

### **Will you send us a copy of the full policy?**

Yes, upon receipt of authorization to do so by the Property Manager.

## **General Liability Questions**

### **Does the policy include Severability of Interest?**

The policy described in the Certificate of Liability Insurance includes separation of insureds, the current insurance terminology previously known as severability of interest.

### **Are both the Association and the Property Manager afforded “insured” status under the General Liability policy?**

Yes, the Association is a named insured. Property Managers are included under the definition of who is an insured in the Commercial General Liability (CGL) policy.

## Miscellaneous

### **We are aware of an open litigation claim. Can you guarantee payment of this loss?**

We cannot address open litigation matters. All questions need to be addressed to the legal counsel firm representing the Association or the Management Company. We **do not** provide information on these matters.

### **Is the Property Manager an Additional Insured or a Named Insured on the Association's Crime policy?**

The Property Manager is included in the definition of employee.

### **We don't accept ACORD Certificates.**

We can offer a full copy of the policies for an administrative fee. Any other Association names will be removed (if applicable).
