Newly Mapped Procedure

The Federal Emergency Management Agency (FEMA) has implemented a new flood insurance provision to the National Flood Insurance Program (NFIP) to ease the transition of being newly designated in a Special Flood Hazard Area (SFHA). If a building in a moderate- to low-risk flood zone is newly mapped into a high risk SFHA, it may be eligible for a flood insurance discount.

Based on the following information, the subject property of this flood determination may qualify for a discounted flood insurance policy through FEMA's Newly Mapped procedure if the Historical Flood Zone is B, C, D, or X:
