Dear Homeowner,

We are pleased to inform you that the remodeling of your home has been successfully completed. The electrical system has been thoroughly updated to ensure safety and efficiency.

The updates include the installation of new devices such as plugs, switches, and recessed lights. Replacement of electrical panels and any wiring deemed unsafe. We are confident in the quality of our work and the materials used.

As part of our commitment to customer satisfaction, we provide a 1-year warranty on all the installed devices. Including outlets, switches, recessed lighting, and load center. This warranty covers any defects in materials or workmanship under normal use during the Warranty Period.

During the Warranty Period, JB Electrical Services will repair or replace, at no charge, products or parts of a product that prove defective because of improper material or workmanship, under normal use and maintenance.

We appreciate your trust in our services and look forward to serving any of your future electrical needs.

Best Regards,
