**SUBTERRANEAN TERMITE CONTROL PLAN AND SERVICE AGREEMENT**

Effective date of initial treatment through 1 YEAR for initial cost of \$ 725.00 + tax 59.81 = Total \$ 784.81  
PESTOP will visually inspect readily accessible areas for Subterranean Termites each renewal term and retreat any previously treated areas if needed at no additional cost to the property owner during the effective dates of this Agreement for control of Subterranean Termites. This Service Agreement does not include Drywood or Formosan Termites. This Agreement may include an addendum for Drywood, Formosan Termites or other wood destroying insects. This Agreement does not cover repair of property or contents from Subterranean Termite damage due to reinfestation. This Service Agreement can be renewed each consecutive 12 MONTHS to the property owner for as long as they own the property for \$ 125.00 + tax. PESTOP will not increase the renewal cost by more than 10% in any one renewal period. This Service Agreement, including all responsibilities, represented therein, can be transferred by mutual consent of both parties, new property owner and PESTOP, for a fee of \$ \_\_\_\_\_.

SEE REVERSE SIDE OF THIS PAGE FOR DISCLOSURE INFORMATION, DEFINITIONS, GENERAL TERMS AND CONDITIONS OF THIS AGREEMENT.

► This is a graph of area(s) of building(s) to be serviced for Subterranean Termites:  
Pestop neither implies nor guarantees that any area(s) shown to be infested or damaged, and indicated on this service graph completed at the time this agreement is entered, into, represents all of the infestation or damage existing at the time. Likewise, the failure of this graph to indicate infestation or damage is not a warranty or guarantee that there is or is not infestation or damage at the time the treatment is made.

► **IMPORTANT NOTE:** Purchaser has received and understands the Service Agreement, chemical information, definitions of treatment, general terms and conditions, consumer information sheet and graph on all areas of building(s) to be serviced. Purchaser understands and agrees that the chemical barriers placed in soil against the foundation of the building serviced must not be disturbed, dug up, covered up or altered in any way for the control plan to remain in force. Some of the most important chemical barriers extend from the foundation out 8 inches. Please do not dig up or mulch in these areas (See also Paragraph 5 of General Terms and Conditions).
