

# Fort Bend County - Precinct 2 Reading Road Update

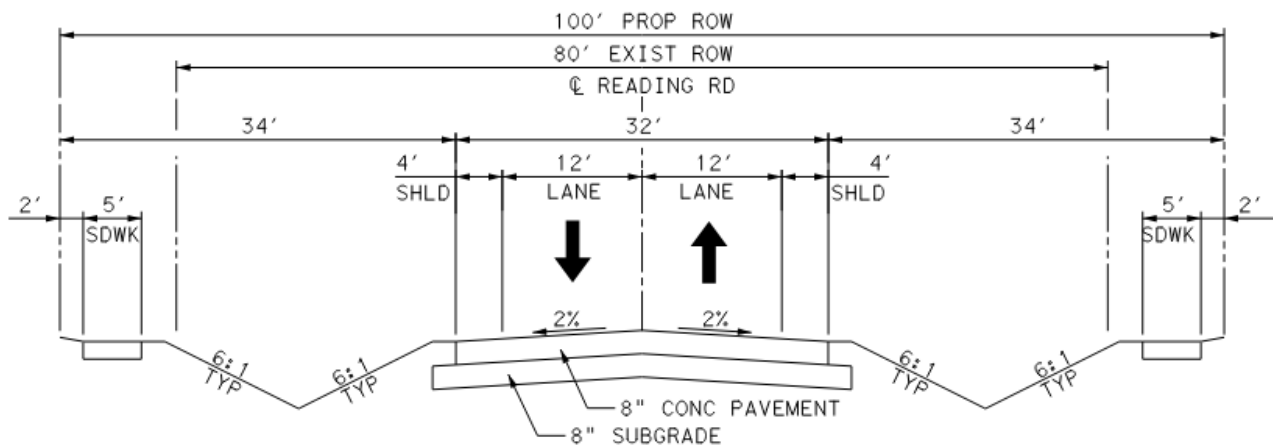

December 18, 2023

## 1. 20109 Reading Road – From Bonbrook Plantation to FM 762

### Proposed layout

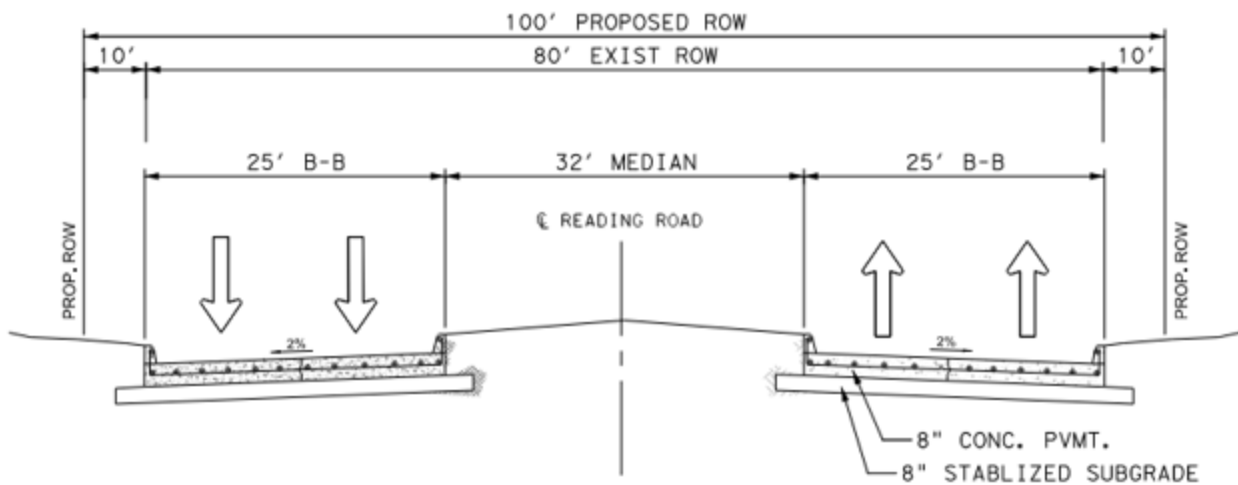

This project will consist of two distinct segments:

- Segment 1 from Bonbrook Plantations 4 lane boulevard to Berdett:
  - The County is proposing a 2-lane Concrete Road with 4' shoulders, open ditches and sidewalks. Additional features will include Roundabouts at Bridlewood and Rustling Oaks Dr which are being proposed to increase safety and to reduce speed. There will also be a left turn lane for the EB traffic at Berdett.

## 2. Segment 2 from Berdett to FM 762:

- The County is proposing a 4-lane concrete boulevard section with storm sewer with potential sidewalks on both sides.

**Project Status**

- a. Surveyor is currently working on the parcel layouts to acquire 100' Right-of-Way (ROW) for corridor. ROW acquisition schedule will vary, depending on landowners.
- b. Preliminary engineering report (PER) is currently under redesign.
- c. Currently working on alignment through neighborhood to minimize conflicts with structures.

**Schedule**

No.	Project	2023				2024				2025				2026			
		1st	2nd	3rd	4th	1st	2nd	3rd	4th	1st	2nd	3rd	4th	1st	2nd	3rd	4th
20109	Reading Road Roundabouts																

- PER	- Bid Phase	- Design Phase	- Construction	- Enviro, ROW & Utilities
-------	-------------	----------------	----------------	---------------------------

\*ROW acquisition schedule is very fluid and assuming no eminent domain is required.

\*\*Schedule will change slightly based on direction to change to reduced section.
