[#1] will inspect as necessary during the contract term, and should additional services be necessary, such service shall be performed at no additional cost. Granger's Exterminators will not be responsible for any damage under this contract.

[#1] will extend this plan annually for $ **175 00** plus tax, per year payable by the anniversary date. This fee may be reversed after the second and any subsequent year with notification of the client. This agreement can be terminated by either party, with or without cause, at the end of the one year term. Failure to pay said fee by renewal date may cause this agreement to lapse without privilege of reinstatement. If, at the time of reinspection, additions or alterations have been made to the described property which, in our opinion, constitute an infestation potential, such additions or alterations must be serviced by us as soon as practical at the expense of the owner or this agreement shall immediately lapse. The unexpired period of this agreement may be transferred to a new owner of the above described property upon request and under the same terms and conditions.

Important: I have read the explanation of the service plan to be issued including the limitations and restrictions on the service plan contained in the second page. The attached specifications included in this contract contain important provisions which are part of this agreement.

This agreement or treatment does not warrant infestation or damage from Formosan or Drywood termites.
