Energy		Duct tightness test
Efficiency		Inspection of program ventilation and safety requirements
Program		Inspect mechanical sizing, thermal components and air barriers
"		Reduced Carbon Emissions
		Test for air tightness and pressure balancing as required

General Notes

- Certain Materials and Features on Display in Model Homes are not included in the Purchase Price.
- Ashton Woods Homes reserves the right to substitute materials of like or better
- All interior and exterior finishes are as per builders plans and specifications and only applicable with respect to plan type.
- All choices and selections of materials are to be from the builder's samples, and all color specification sheets are to be completed in full within two weeks of the date of acceptance of the offer to purchase. If color charts are not completed as noted.
- Builder and Buyer must list any exceptions to the specifications contained in this document (Addendum A) on other Builder forms (Addendum C) with approval. No verbally discussed specifications are included in any Ashton Woods transaction.
- All plans and specifications are subject to change.
 All plans and specifications are subject to changes as may be required to conform with any revisions to any applicable building codes.
- The builder will not allow the purchaser to enter upon the property to do any work or to supply any materials prior to the closing date, and the purchaser will be liable for any additional costs incurred by the builder to correct or remove
- The purchaser acknowledges that color variations may occur from the samples presented, and that it may be necessary to re-select materials and finishes in the event that any product may be discontinued, or may not be available on time. The builder may as necessary request such re-selections, and if the purchaser will not cooperate the builder reserves the right to make such reselections and the purchaser hereby agrees to accept the same.
- Unless specifically noted otherwise the builder reserves the right to reverse the siting of the house as may be required.
- The purchaser acknowledges that the brochures and renderings as presented 11. are artist's concept and are subject to change.
- Actual useable floor space may vary from stated floor area.
