The real property that you are about to purchase is located in Sienna Regional Municipal Utility District (“District”) and may be subject to district taxes. The district may, subject to voter approval, impose taxes and issue bonds. The district may impose an unlimited rate of tax in payment of such bonds. The district has entered into a strategic partnership agreement with the City which is available for inspection at the District’s offices. This agreement may address the timeframe, process, and procedures for the municipal annexation of the area of the district located in the municipality’s extraterritorial jurisdiction.

The purpose of this District is to provide water, sewer, drainage, flood control, roads, and parks and recreation facilities and services within the District through the issuance of bonds payable in whole or in part from property taxes. The cost of these facilities is not included in the purchase price of your property.
