INTERVIEW WITH THE SELLERS

Valuable insight on owning this home

PROPERTY ADDRESS:

 8406 North Main Street, Houston, TX 77022

1. Why did you decide to buy this home for yourself?

It had a wonderful large green back yard with 3 pecan trees that were almost a hundred years old. The House also sat on two separate lots that would allow a second home to be build without replating at a later date.

2. What do you think are the best features of your home?

I think the historical nature of the house almost being a hundred years old and building built like a tank. A lot of the original structure is still intact because it was almost entirely made of cedar.

3. Tell me what you like best about your neighborhood?

The neighborhood is up and coming. A lot of \$350+ homes are being built right next door and its located in independence heights. We have access to all the amenities of the heights without having to pay \$800+ for our home. We are also right next to the 610 Loop, I-45, and I-59 so we can literally be anywhere in the city within 30 minutes. We also typically drive against traffic because of the location of the property.

4. What are your favorite places for recreation, shopping and eating nearby?

Its right next to all the amenities of the Heights such as Wholefood, the heights shopping strip, the farmers market, clubs, and many other facilities.
