1. Dish TV – 800-333-3474
2. Suddenlink - 888-822-5151

Trinity River Authority – They charge \$25.00 per year for having a septic system; they do go around and make sure your system is tagged as regularly inspected. Their number for permitting septic is: 936-365-2292. You are also required to have an inspection contract every year if it is an aerobic system. Any of the septic service providers can do that.

To get an address for a lot that has not been built on, call the 911 office (they assign house numbers). Ask for Jolynn Wars. The number is: (936)642-3904.
